ACKNOWLEDGEMENTS
To achieve any goal in life the greatest asset that one carries is the blessings and good-wishes of the loved ones. During each and every step of my life I have been blessed and carried the good wishes of: Shree Hanumanji, Shiv Baba, Maa Kaali, Shree Krishna, my paternal and maternal Grandfathers (Lt. Raghunath Prasad Jaiswal, Lt. Satya Narayan Prasad Bhakat) and Grandmothers (Lt. Baghmuni Jaiswal, Smt. Rajeswari Debi), my Father (Sri Ananta Lal Jaiswal, my Mother (Smt. Asha Jaiswal) and my Brother (Abhijit Jaiswal).

During the course of my doctoral research I have been accompanied by many people whose support, valuable advices, encouragement and knowledge has made my dream materialize.

My foremost thank goes to my mentor and research supervisor Dr. B. L. Sarkar, Scientist E, Deputy Director, NICED, whose constant guidance and unending inspiration has led to the completion of the entire work. His involvement with his originality has triggered and nourished my intellectual maturity that I will benefit from, for a long time to come. Above all, he provided me unflinching encouragement and support in various ways. Besides, the untiring enthusiasm and trust provided by him have helped me to carry out my scientific research confidently. I also thank the support received from Dr. Hemanta Koley, Scientist C, NICED, regarding his help in skill building animal experiments.

I express my sincere regards to Dr. G.B. Nair ex-Director of NICED, Dr. Sekhar Chakrabarti, ex-Director In-charge of NICED and Dr. Manoj Kr Chakraborty, Director In-charge of NICED, for their help, encouragement and for providing excellent institutional research facilities for my study.

I must thank my friend Avirup Chakraborty. He always stood by me and has extended his valuable support with a smile.
I take this opportunity to thank my teachers who were instrumental in building my academic career. I thank: Arijit Chowdhury Sir, Amarjeet Kaur Ma’am, Poulomi Mukhopadhyay Ma’am, Kaushik Dey Sir, Dr Malini Sen, Debashis Sir, Sukantada, Srinivasda and Debdutda who taught me to perform experiments with so much care and passion.

I must thank three very important people who have stood firm besides my family and supported us out-of-bounds during crisis period. I am indeed thankful and indebted to them forever. I heartily thank Mr. Santosh Bhagat, Mr Ranjit Bhagat, Mr Sanjit Bhagat.

During my journey through life so far, I have been lucky enough to have so many good people as friends. I thank them all: Sabina, Avirup, Urmimala, Paramita, Nihar, Somnath Makal, Subharthi, Hemanta, Abhra, Arindam, Abhijitda, Priyaranjan, Rajshree, Somanjana, Shahana, Simadi, Abbasi, Masrure, Koushik, Sudipta, Abedul, Anup, Kalyani, Krishnenduda, Arindamda, Biswanathda, Arka, Somnath, Soumitra for being good friends. We have spent good times together.

I would be failing in my duty if I do not express my sincerest appreciation to Sahada and Bhaskarda for their generous help and support in the laboratory.

In the end I would express my unfathomable gratitude to the enlightened spirits that sacrificed their lives for the sake of freedom and peace for our country and have made us feel proud to be an INDIAN.
