ACKNOWLEDGEMENT

This thesis would have been impossible in the present form without the consistently loving support and guidance of Dr. Mohan. G. Ramanan. I am deeply indebted to him for guiding me through a series of drafts.

I am grateful to Prof S. Vishwanathan for his advice and encouragement during the course of this study.

I wish to thank my teachers at the Department of English, Central University of Hyderabad: Drs. Sudhakar Marathe, Narayan Chandran, Hoshang Merchant, Nageswara Rao, Alladi Uma, Tejaswini Niranjana, P. Sailaja, Sridhar and Sachidananda Mohanty.

For listening to and reading parts of this study, I would particularly like to thank Dr. M. V. Narayanan and P. K. Babu.

Also acknowledged is the timely help rendered by E. K. Sharif Samuel Devanand, Jolly, George Tharakan and my friends at Real Time Softwares Pvt. Ltd, Thalassery towards the realisation of this thesis.

I would also like to place on record the service rendered by the Librarians of Indira Gandhi Memorial Library, University of Hyderabad, ASRC, Hyderabad, USIS, Bombay, British Council Libraries of Hyderabad and Bombay and Calicut University Library.

Finally I am extremely grateful to my parents, my wife Laila, my son Shaaz Ahmed and my brothers for their unconditional love and support.
