ACKNOWLEDGEMENTS

First and foremost, I express my deepest sense of gratitude to my Supervisor **Dr. S. Kanmani**, Professor, Department of Information Technology, Pondicherry Engineering College, Puducherry, for her great supervision, support and continuous encouragement throughout the period of this research work. Her guidance and suggestions made me more confident to overcome many difficulties during my research.

I am extremely grateful to my Doctoral Committee members **Dr. G. Aghila**, Professor and Head, Department of Computer Science and Engineering, National Institute of Technology, Karaikal and **Dr. R. Nakkeeran**, Associate Professor and Head, Department of Electronics Engineering, School of Engineering and Technology, Pondicherry University, Puducherry, for their invaluable suggestions and motivation, which was of great help in improving the quality of this research.

My sincere thanks to **Dr. D. Govindarajulu**, Principal, Pondicherry Engineering College, Puducherry, and **Dr. V. Prithiviraj**, former Principal, Pondicherry Engineering College, Puducherry, for permitting me to undergo this research, and extending the facilities available in this institute.

I wish to express my sincere thanks to **Dr. D. Loganathan**, Head, Department of Computer Science and Engineering, Pondicherry Engineering College, Puducherry, and **Dr. N. Sreenath**, former Head and Professor, Department of Computer Science and Engineering, Pondicherry Engineering College, Puducherry, for providing a peaceful and conducive working environment, during my period of study in this institute.
I am very grateful to Ms. Israth and Ms. Rajeshwari, Assistant Professors, in Department of English, SMVEC and EGSPEC respectively for their kind help and invaluable suggestions in improving the quality of this thesis.

I would like to express my heartfelt thanks to my friend Dr. P. Salini, for the moral support and encouragement given by her during the time required.

I could not forget the invaluable help and support extended by my co-researchers Dr. J. Jayabharathy, Dr. K. Indira, Dr. P. Shanmougapriya, Mr. P. Radhakrishnan, Dr. N. Kayarvizhi, Dr. M. Nandhini, Dr. E. Kodhai and Ms. R. Gowri.

I would thank the Technical and Non-technical staff of Department of Information Technology, and Department of Computer Science and Engineering, Pondicherry Engineering College, for their support and cooperation.

I express my deepest sense of gratitude to my dear parents Mr. R. Palanivel and Mrs. S. Seethalakshmi. Nothing could ever eclipse the true love, the unconditional dedication, the consistent support and sacrifices they have shown me throughout my life. There are not enough words to thank them, but there are abundant feelings to cherish forever.

I express my heartfelt gratitude to my beloved husband Dr. R. Elansezhian who is always there to provide me his support and special thanks for always backing me up and encouraging me whenever I was struggled on.
I am extremely grateful to my dearest daughter E. Maragatha Priya and my lovable son E. Raj Eshwar, for their love and moral support. Heartfelt thanks to them, for all the sacrifices they made, during the entire period of this research.

Specially, I want to appreciate the support from my other family members for their blessings, invaluable support and encouragement. The appreciation cannot be expressed in words. Without their support and help, all the things I have are impossible.

At last, I thank the God Almighty, for all the blessings he has showered on me.
