Rev. Pandurang Shastri Athavale (Dadaji)

My spiritual mentor, the world acclaimed philosopher and social scientist, who has cultivated applied philosophy of life in millions through Swachay. Swachay is a self study process based on the Shrimad Bhagavad Gita. Dadaji has explained that God resides in everyone and this spiritual oneness will bring the solutions of all worldly problems.

Rev. Jayshree Talvalkar (Didji)

Didji is the daughter of Rev. Dadaji, the founder of the Swachay Parivar. She is the youngest loving sister of millions of swachayees and leading the ‘silent yet singing revolution’ i.e. the swachay movement in India and across the globe.
