Acknowledgment

I thank God for blessings showered on me.

I am deeply thankful to my supervisors, Dr. K. H. Patel and Prof. D. K. Raval for their invaluable guidance and constant support. Their words of wisdom and constant endeavor for perfection helped me immensely during my research. Their attention to detail while approaching problems has helped me greatly. I look forward to their continuing guidance in future.

I would like to thank to the past and present Heads of the department, Department of chemistry, Prof. H. S. Patel, Prof. D. I. Brahmbhatt and Prof. N. V. Sastry (present) for supporting and extending facilities required for the research. I am also thankful to all teaching and non-teaching staff of the department for their kind support. Thanks are due to Prof. J. D. Joshi (retired), Prof. S. S. Soni, Prof. M. N. Patel, Mr. A. B. Patil and Gopalbhai Desai (UGC section, S. P. University) for their professional help during the entire research.

I would like to express my sincere gratitude to Swadhyay Parivar and Shreekar Hostel for providing me all spiritual and motivational support at every stage of life. Specially thanks to Dr. Jitubhai Patel for his motivational and moral support during my M. Sc. and Ph. D. program. I also thank Apoorvabhai, Arjunbhai, Rakeshbhai, Riteshbhai, Bhaskarbhai, Mehulbhai, Mayurbhai, Hardipbhai, Jayeshbhai, Girishkaka, Gunvantkaka and Ajitkaka for their parental care and support during this tenure.

All of my friends who have kept me in their company throughout my postgraduate and Ph. D. years at the department are gratefully acknowledged. There are many to name them all, but they know who they are!

Dr. Tushar, Dr. Kaushik, Dr. Jugal, Dr. Gaurav, Dr. Sandip, Bharat, Milan, Ashok, Sanjay, Pratik, Haresh, Ankit, Jayveer, Atul, Krunal, Jayraj, Keval, Niles, Dharti, Neha, Khushbu, Hiren, Mehul, Parth, Sampark, Jay and Ravi.

Not forgetting all lab mates, past and present, of the Lab 217. They have been such a huge part of life during my stay at Lab 217.

Dr. Vaibhav, Dr. Abhishek, Dr. Umesh, Dr. Devji, Dr. Bhautik, Dr. Jemin, Dr. Zarana, Dr. Shailesh, Dr. Piyush, Sharad, Harsh, Nirav, Beena, Rahul and Ronak.

Words fail to express my appreciation to my wife Dhruti whose love, dedication and persistent confidence in me, has taken the loads off my shoulders. My Parents Minaxiben and Bhupendrabhai Purohit and Lataben and Pravinbhai Pandya deserve special mention for their unwavering encouragement, support and patience throughout the research.
I would also like to thank my family members who have been a great source of motivation to me. Dada, Baa, Vijaykaka, Hemumasi, Kishorkaka, Dharmesh, Shweta, Dipak mama and whole Joshi family, I bow my head with the feeling of love and gratitude to all of you.

I am also grateful to Vilas masi, Javanika bhabhi, Jasu baa and Alka madam (for their constant care and support.

I gratefully acknowledge the funding source that made my Ph.D. work possible. My sincere thanks goes to UGC, New Delhi, for providing me the financial support in the form of UGC BSR fellowship.

I also acknowledge DST, New Delhi for the assistance in the form of mass analysis at PURSE central facility at Sardar Patel University sponsored under PURSE program. The assistance in form of elemental analysis on concessional rates by SICART, V. V. Nagar is also gratefully acknowledged.

Special thanks to my School teachers, Jagdish sir and Vaishali madam who nurtured a dream that came true.

With my head bowed in the sacred feet of Yogeshwar Krishna for providing me all wonderful opportunities to perform Karma.
