

ACKNOWLEDGEMENTS

I wish to express my sincere thanks to my Guide, Dr. B.D. Sharma, Deputy Director, Botanical Survey of India, Western Circle, Pune for suggesting the research project and for providing all the facilities during the course of this work.

I am indebted and owe my gratitude to Dr. M.P.Nayar, Director, Botanical Survey of India, Calcutta for kindly approving the research project. He was a constant source of inspiration for me.

I was fortunate in getting help ungrudgingly and without reservation from my colleagues. Shri Anandkumar helped me in plant exploration work; Dr.P.Lakshminarasimhan, Miss Sandhya, D.Deshpande, Miss Sakuntala Mudaliar and Dr.B.G.Kulkarni helped me in so many ways.

I thank Shri K.Perumal for typing the thesis; Shri P.D. Modak for photography. Shri B.V.Joshi has been of great help while consulting the library.

The field staff of this circle were always willing to co-operate and I am thankful to the staff and the Driver who accompanied me on tours.

The officials of the Forest Department of Yavatmal district had been very helpful.
