ACKNOWLEDGEMENT

Words often fail to express one’s inner feelings of indebtedness and deep sense of gratitude to one’s benefactors. But the only solution up to some extent is the inner soul’s feelings, which the investigator can express only. I have the prerogative to thank my trustworthy guide and mentor Dr. Nisha Singh, Principal, Modern College of Professional Studies, Ghaziabad for her critical and appreciative views and esteemed guidance throughout the process of the study. It would have been impossible to achieve this goal without inspiration, devotion, untiring patience and co-operation extended by her to me at each and every step.

I am indebted to my supervisor Dr. Nisha Singh for giving me the valuable support and encouragement. Her extra-ordinary insight and expertise in the concerned field proved to be of immense help and a constant source of impetus to me. Without her scholarly kind involvement and learned directions, this work would not have been materialized. I am highly grateful to her for continued assistance at various stages in the finalization of the manuscript. Due to her guidance, the work could take concrete shape.

I would like to express my sincere gratitude towards Dr K.K. Vashishta for his invaluable guidance. I do not have words to express my gratefulness towards him.

I shall be failing in my duty if I do not pay regards to the Principal, Teachers and students of those secondary schools of Meerut Mandal whom, I found more than willing to help me in data collection required for the study from their schools. I am extremely thankful to them.

I must also place on record my sincere thanks to faculties of Jaipuria Institute for their motivational and friendly support. I take this opportunity to express my sincere regardful thanks and deepest gratitude to other teachers of faculty of Education, NCERT Librarians, for their valuable contribution, constructive criticism and suitable encouragement which were given to me throughout the progress of this useful research work.

Above all, the expression of my gratitude will remain incomplete if I fail to express my deep sense of indebtedness to my daughters Paras and Riddhi, parents, relatives and younger brother who have always extended love and supreme sacrifices, which cannot
be expressed in words, but can only be felt. Thanks are due to my friends whose constant direct or indirect support has been my inspiration throughout the whole period of dealing with the task.
