ACKNOWLEDGEMENTS

The author expresses his deep sense of gratitude and indebtedness to Dr. P.S. Subramanyam, and Dr.T. Krishana Parandhama under whose guidance this thesis work had been carried out. Mere words would not be sufficient to place on record the erudite guidance, sustained encouragement, constructive comments and inspiring discussions with them during the course of this work. The author wishes to record that he considers himself to be fortunate to have worked under them. They in fact have been the source of inspiration for this work.

The author wishes to thank Dr. S.S. Venkata, Dr. A.Chandrasekaran, Dr. B.K.Bhat, Dr.L.P.Singh, Dr.T.Sai Rama for giving valuable suggestions to complete this research work. He also wishes to thank the authors of technical papers, who directly and indirectly helped to complete this work.

The author is thankful to the Principal, S.V.U.College of Engineering for giving an opportunity to carry on this Ph.D. work.

The author places on record with gratitude the kind help extended by Dr. M. Muralidhar, Head of the Department, Department of Electrical & Electronics Engineering, Professors Dr. B. Subramanayam, Dr. N.C. Eswara Reddy of Department of Electrical and Electronics Engineering. The author is especially thankful to Dr. V.C. Veera Reddy, Sri Sangameswara Raju, Sri Maruteeswar, Sri Damodar Reddy for giving suitable suggestions for the work.

The author is indebted to Prof. K.S.N.Reddy, Principal, K.S.R.M. College of Engineering and Dr. C.S. Reddy, former principal, K.S.R.M., College of Engineering for giving necessary permission to carry out this Ph.D. work.
The author wishes to express his heartfull thanks to Sri. V. Madhusudan, Head of Department, Prof. T.J.C. Prasad, Sri M.N. Giriprasad, Dr. N.K. Swamy, Dr. J.V. Gurumurthy, Sri B.S. Charles, Dr. K. Rajagopal, Sri B. S. P. Kumar and other colleagues for giving timely suggestions.

The author wishes to express his heartfelt thanks to his parents, friends, who helped directly or indirectly in completing the work.

The author wishes to thank Sri B. Amareswara Reddy, Sri P. Subramanyam, Sri B. Prasad and Sri J. Ramu., who typed the thesis for their pains taking care to put it in the present format.

Last but not the least, the moral support extended by my wife Smt. Padmaja, and daughters Sruthi and Swetha can only be felt by the author and is incommensurable by any means. It is deeply acknowledged in the same measure.

( K. RAMESH REDDY)
