ACKNOWLEDGEMENT

Any work is practically impossible without motivation, sympathy, affection and proper guidance hence, I am deeply indebted to those who very kindly accepted me at their own student and illuminated my path through out their endeavor.

First of all I owe my gratitude and thanks to my Internal Supervisor Dr. (Mrs.) Smriti Daani, Principal, Reader and Head, Department of Home-Science, A.K.P. College, Hapur for her worthy guidance, constructive criticism and encouragement at every stage of the study. Her intellectual planning, able supervision and thought provoking suggestions enabled me to complete the present work in this form.

My sincere thanks and gratitude to my teacher Dr. D. N. Pandey, Ex.-Associate Professor in Statistics and Demography, Department of Obstetrics and Gynecology, S.N. Medical College, Agra, for the suggestion of the problem, inspiring guidance throughout the course of the research. I am indebted to him for his help, broadmindedness and kindness towards me.

I offer my profound gratitude to Dr. Rita Bakshi, Principal, Ginni Devi Modi Girls P.G. College, Modinagar. She has been very kind to me throughout the course of my research work.

I owe a debt of gratitude to Dr. (Mrs.) Anshu Bansal, Principal, G.S.K.M. P.G. College, Bulandshahr and Dr. Vipin Garg, Principal, I.P. Degree College, Bulandshahr for their moral support to complete this work.

I am thankful to the Librarians of various institutions in Particular to Ginni Devi Modi Girls P.G. College, Modinagar, A.K.P. Degree College, Hapur, G.S.K.M. P.G. College, Bulandshahr, I.P. Degree College, Bulandshahr and Institute of Home Science, Agra. I am also thankful to Mr. Ranvir Singh for providing me the kind support for completing my thesis.
I fail to express in words my indebtedness to my dear in-laws Mr. Madan Lal Arora and Mrs. Bimla Arora and my parents Mr. Jagdish Chand Chakarvati and Mrs. Usha Chakarvati and my sisters Shweta Malhotra and Kapila Agarwal and brother Yash Chakarvati without their love, motivation and constant encouragement, I would not have been able to complete this work.

I cannot find word to express thanks to my husband Mr. Manish Arora for his interest, active co-operation, helpful attitude; support helped me a lot in the completion of the thesis and presenting it successfully. I cannot forget the scarifies of my sweet children Ishaan and Ishika and my niece Manvi who helped me a lot during my research work.

My sincere thanks to my all friends especially Mrs. Resham Agarwal and Mrs. Poornima Singh for their kind and sincere help, support and encouragement in completing my work successfully.

The completion of this work would not have been possible without generous and untiring assistance of Mr. Prashant Kaushik deserve congratulations for the nice printing and getup of thesis.

Lastly but not the least, I am highly thankful to Supreme God who has given me courage to complete this work, without their spiritual mercy on me, I can't do this.
