Acknowledgement

It is with immense pride and delight I pen here to acknowledge my heartfelt sense of gratitude and indebtedness to my esteemed supervisor Dr. S.P. Tiwari, Reader and Head, Deptt. of English, S.B.P.G. College, Badlapur, Jaunpur, who is a source of constant inspiration and mentor in guiding me in my research career. It was became of his unfailing interest that molded me to this research career. Words fail me to express my gratefulness to his tireless endeavour in completing this work.

I owe deep sense of sincere gratitude to Principal, S.B.P.G. College, Badlapur, Jaunpur, for his generous help and whole hearted co-operation during the entire course of my research work. His critical observation and valuable remarks helped me immensely in improving my performance.

In the successful completion of this work I have received help from a number of individuals and institutions. First of all, I would like to dedicate this work to the fond memory of my Late father-in-law Thakur Ram Surat Singh Ji who stood for me and others as well as a pillar of ideal humanity. My mother-in-law Smt. Juvraji Devi has been a constant source of inspiration and I am afraid that but for her encouragement and support I would hardly have been able to finish this project.
I am very much indebted to the guardian of my family and my brother-in-law Shri Satya Prakash Singh who has always taught me the lesson of forthrightness, the value of work, time and sincerity.

All my relatives have been extremely sympathetic and supportive in my venture. I am particularly grateful to my husband Shri. Ved Prakash Singh whose support matter most for me. My children Tarun and Lavanya bore with me patiently through out my work and relieved much of its tedium. I would be failing in my duty if I do not acknowledge my indebtedness to my parents Dr. Surendra Nath Singh and Smt. Nirmala Singh whose blessings helped me to get through. My brother-in-law Dr. Vijay Kumar Singh deserves special thanks for he has helped me in many ways.

A debt of impersonal sort remains due to the librarians of Banaras Hindu University, Varanasi, American College, Madurai, Delhi Univeristy, Library and National Library Kolkata. Lastly, I thank M/s Asthana Computers, T.D. College, Jaunpur who prepared the type script of my dissertation with care and precision.
