ACKNOWLEDGEMENT

At the very outset, I take this opportunity with great pride and immense pleasure to express my deep sense of gratitude and respect to my esteemed guide Dr. K. Ilango, M. Pharm., Ph.D, FIC., Vice principal cum Professor and Head, Department of Pharmaceutical Chemistry, SRM College of Pharmacy, SRM University for his excellent guidance, valuable advice and encouragement throughout the work. It is fortunate to work with such a versatile, dynamic and disciplined personality during this project.

I am elated to place on record with profound sense of gratitude and indebtedness to Dr. R. Shivakumar, Pro Vice-Chancellor, Dr. M. Ponnavaiko, Provost, Dr. Vinod Kochupillai Director, (Medical Sciences) Dr. N. Chandraprabha Associate Director (Health Sciences), Dr. D. Narayana Rao, Director (Research), Dr. S. V. Kasmir Raja, Dean (Research), SRM University, Kattankulathur, Chennai for permitting me to do the research work.

I owe my thanks and whole hearted gratitude to Dr. K. S. Lakshmi, M. Pharm, Ph.D., Dean SRM College of Pharmacy, SRM University for her moral support, constant encouragement and high-minded contribution throughout the course of the work.

I would like to express my special thanks to Dr. C. Ramaswamy, Prof and Head, Department of Pharmacy Practice, Mrs. V. Chitra, Head, Department of Pharmacology, Dr. N. Damodaran, Head, Department of Pharmaceutics, Mr. S. Arunkumar, Mr. M. Mothilal and Mrs. Lakshmi
Sivasubramaniam, Assistant Professors for their constant support and massive boost up in various steps throughout the project work.

I affectionately acknowledge my Department Staff members Mrs. N. Umarani, Mrs. K. Anita Priyadharshini, Mrs. B. Kiruthiga, Ms. G. Deepa, Mr. S. Santhosh and Mrs. M. Sangeetha, Lecturers for their support and timely help to complete the work successfully.

I convey my thanks to Mrs. S. E. Maida Engels, Assistant Professor, PSG college of Pharmacy, Coimbatore for providing the software facilities to carry out the QSAR studies and Mrs. R. Vadivu, Lecturer, Madras Medical College, Chennai for her help in literature collection.

I sincerely thank Mr. Amit Desphande, M/s Deshpande Laboratories, Bhopal, for his support in cytotoxic activity. I also extend my thanks to our Librarian Mr. G. Senthil, for his assistance during the literature survey.

My special thanks Ms. M. Bharati, Ms. P. Vanitha, Mrs. A. Kalpana, Lab-Assistants and Mr. B. Manikandan and Mr. D. Neelakandan Lab-Attenders for their kind cooperation and assistance during my research study.

Words do not suffice to express my sincere thanks to one and all who helped me during this dissertation.

I wish to heartily thank my beloved family members who stood by my side at all times giving me the necessary encouragement and moral support.

P. VALENTINA
