**Chapter-1: Introductory Background and Theoretical Approaches of the Study** 1-21

1.1 Introduction: ................................................................. 1
1.2 Foreign Direct Investment: .................................................... 2
1.3 Benefits of Foreign Direct Investment: ........................................ 3
1.4 Costs of Foreign Direct Investment: .......................................... 4
1.5 Economic, Political and Social Effects of Foreign Direct Investment: ........................................ 5
1.6 Foreign Direct Investment and Economic Development: ............... 7
1.7 Effects of Foreign Direct Investment: Theories and Approaches: ........ 8
1.7.1 Theories of Foreign Direct Investment under Perfect Market Condition: ........................................ 9
1.7.2 Theories of Foreign Direct Investment under Imperfect Market Condition: .................................. 11
1.8 Locational Factors that Influence Foreign Direct Investment Inflows in India: ........................................ 14
1.9 Importance of Foreign Direct Investment for Growth and Development in India: .................................... 17
1.10 Conclusion: ................................................................... 19
1.11 References: .................................................................... 20

**Chapter-2: Review of Literature and Research Design of the Study** 22-48

2.1 Introduction: ................................................................. 22
2.2 Statement of the problem: .................................................... 22
2.3 Review of Literature: ........................................................ 23
2.4 Research Gap: ................................................................ 39
2.5 Scope of the Study: .......................................................... 40
2.6 Objectives of the Study: ...................................................... 40
2.7 Hypotheses of the Study: .................................................... 41
2.8 Source of Data: ................................................................ 41
2.9 Span of Time of the Study: .................................................. 42
2.10 Research Methodology: ...................................................... 42
Chapter-3: Economic Liberalization and Foreign Direct Investment Policies in India

3.1 Introduction: ........................................................................................................ 49

3.2 Global FDI Trends and Pattern of Flows: .............................................................. 50
  3.2.1 Trends of Global FDI Flow: .......................................................... 50
  3.2.2 National Regulatory Changes Introduced by Countries of the World: ... 55
  3.2.3 Comparing Performance and Potential: ....................................................... 57
  3.2.4 Inward FDI Performance Index: ................................................................. 59
  3.2.5 Inward FDI Potential Index: .................................................................... 60
  3.2.6 Global Competitiveness Index: ................................................................. 61
  3.2.7 FDI and Gross Domestic Product Ratio: .................................................... 62

3.3 Evolution of FDI Policy in India: ....................................................................... 65
  3.3.1 FDI Inflows in Pre-reform Period: ............................................................. 65
  3.3.2 The Phase of Cautious and Selective Attitude towards FDI (1948-1967): 65
  3.3.3 The Phase of Restrictive Attitude towards FDI (1968-1979): ................. 66
  3.3.4 The Phase of Semi-Liberalization (1980-1990): ........................................ 68
  3.3.5 Trends of FDI Inflows during Pre-reform Period: Before 1991: ............. 69
  3.3.6 Country-wise break-up of FDI flows during Pre-reform Period: .............. 70
  3.3.7 Sector-wise break-up of FDI Inflow during Pre-reform Period: ............... 72

3.4 FDI inflows in Post-reform Period: Since 1991: .................................................. 73
  3.4.1 Trends of FDI during Post-reform Period: .................................................. 80
  3.4.2 Route-wise FDI Inflows during Post-reform Period: ................................... 82
  3.4.3 Country-wise break-up of FDI Inflows during Post-reform Period: .......... 84
  3.4.4 Sector-wise break-up of FDI Inflows during Post-reform Period: ............. 86
  3.4.5 State-wise break-up of FDI Inflows during Post-reform Period: .............. 89

3.5 FDI in India: Reasons for Slow Inflows: ............................................................... 91
  3.5.1 Attitude of Foreign Investors towards India: ............................................. 91
  3.5.2 Policy Framework: ...................................................................................... 92
  3.5.3 Procedures: .................................................................................................. 94
  3.5.4 Foreign Investment Promotion Board: ....................................................... 95
  3.5.5 Quality of Infrastructure: ............................................................................ 96
  3.5.6 Pro-labour laws: ........................................................................................ 96
  3.5.7 Corruption: ............................................................................................... 97
5.3.2 Imitation and demonstration Effects: ...................................................... 161
5.3.3 Transfer of Technology Effects: .......................................................... 162
5.3.4 Research and Development Effects: ...................................................... 163
5.3.5 Human Capital Effects: ........................................................................... 164
5.3.6 Industrial Management Effects: .............................................................. 165
5.3.7 Linkage Effects: ........................................................................................ 167

5.4 Trends and Patterns of FDI Inflow in Indian Pharmaceutical Industry:........ 168
5.5 Investment in Pharmaceutical Industry and the FDI Inflows: .......................177
5.6 Production of Pharmaceutical Industry and the FDI Inflows: ......................180
5.7 Export of Pharmaceutical Industry and the FDI Inflows: ............................182
5.8 Profitability of Pharmaceutical and the FDI Inflows: .................................185
5.9 Employment and FDI Inflows in Pharmaceutical Industry: .......................189
5.10 Conclusion: .................................................................................................... 191
5.11 References: .................................................................................................... 193

Chapter-6: Conclusion Recommendations and suggestions 195-215

6.1 Introduction: ................................................................................................. 195
6.2 Suggestions and Recommendation: ............................................................202
   6.2.1 Strategies and Implication for FDI in Indian Economy: .........................202
   6.2.2 Strategies and Implication for FDI in Indian Pharmaceutical Industry: 208
6.3 Direction for Further Research: .................................................................215

Bibliography 216-242
Appendix xix-xxxvii
