Acknowledgement

I acknowledge with deep gratitude, my sincere thanks to my honorable and learned teacher and guide Dr. V. K. Misurya (MS., MNAMS) professor and head Deptt. Of ENT, MLB Medical College, Jhansi, who has been a constant source of encouragement and inspiration and under whose expert guidance and supervision work could be pursued to its completion. This has been possible by the inspiring guidance of revered teacher, an acknowledged ENT Surgeon and dynamic personality. His Meticulous attention, methodical approach, authentic correction and ingenious skill have made this work possible to see the light of the day vigilant supervision boosted of my morale during the study. His delightful and jovial nature timely advice and fatherly love has helped me to sail smoothly even during critical times. As an outstanding surgeon and unforgettable personality he will be source of both inspiration and encouragement throughout my life.

I express my deep sense of gratitude to Dr. J. P. Purohit, MS, Associate Professor, Department of ENT, MLB Medical College, Jhansi. A brilliant surgeon and eminent academician of such a high caliber as he will always remain a source of inspiration to me, who at the cost of personal inconvenience helped me by deep interest in the work.

I am immensely grateful to Dr. K. R. Gupta, MS. DLO, Professor and Ex Head of the Department of ENT, M.L.B. Medical College, Jhansi for the valuable suggestions encouragement and able guidance for this study.

I am highly thankful to my colleagues Dr. Vijai Pal Singh, Dr. Sampan Singh Bist, Dr. Arpita Agarwal and Dr. Rupam Gupta and my family for their extreme Co-operation in the entire period of work to carry out this present study.

I am extremely thankful to Dr. P. K. Jain, Vardhman Medical Centre, Jhansi and EMBEE diagnostics Pvt. Ltd., Delhi, for kindness to provide me all facilities in this study.

I am also thankful to Mr. Rakesh Maurya for the neat and rapid typing of this manuscript.

Lastly, but not the least I am thankful to all the patients who were the very basis of this work.

(Rajeev Kumar)
