This thesis is the end of my journey in obtaining my Ph.D. I have not traveled in a vacuum in this journey. This thesis has been kept on track and been seen through to completion with the support and encouragement of numerous people including my well-wishers, my friends, colleagues and various institutions. At the end of my thesis I would like to thank all those people who made this thesis possible and an unforgettable experience for me. It is a pleasant task to express my thanks to all those who contributed in many ways to the success of this study and made it an unforgettable experience for me.

At this moment of accomplishment, first of all I pay homage to my guide, Dr. T. Bangar Raju- HOD & Professor, Department of Transportation, UPES. This work would not have been possible without his guidance, support and encouragement. Under his guidance I successfully overcame many difficulties and learned a lot. I am very much thankful to him for picking me up as a Research Scholar.

I would like to express my sincere gratitude to University of Petroleum & Energy Studies (UPES) for allowing me to undertake this research. I am very grateful to Dr. S.J Chopra, Chancellor, UPES & Dr. Shrihari, Vice-Chancellor, UPES for the motivation and their blessings that they have given during this journey of research.

I warmly thank Dr Tarun Dhingra- Associate Professor & Head, Department of Strategic Management, UPES, for his valuable advice, constructive criticism and his extensive discussions around my work. My warm respects to Dr. Ratna Banerjee & Prof K Deelppa for their thoughtful insights, meticulous and critical assessment during the entire course of this research work. My utmost respects to Dr. Ratan Kumar for his constant support in shaping the research output. My sincere regards to the members of CoMES-UPES for their constant support that they have extended to me.

My sincere thanks to the members of FRC, UPES for their constant and unthiring suggestions that have helped in enhancing the quality of this research work. My sincere thanks to the officials of Lloyd’s Register (LR), Admiralty Group, Indian Ports Association (IPA) &
Indian Ship Owners Association (INSA) for providing much required inputs and support that helped in carving this research work.

A special thanks to my family. Words cannot express how grateful I am to my Mother- Dr Kamla Singh, Father- Dr P.K. Singh, Mother-in-law- Smt Vijay Shri Mala & Father-in-law- Shri Satish Kumar Bhargava for their blessings & sacrifices. Your prayer for me was what sustained me thus far. I would also like to thank all of my friends who supported me in writing, and incented me to strive towards my goal. Last but not least, I would like to express appreciation to my beloved wife Dr Aparna Shree Singh who spent sleepless nights with and was always my support in the moments when there was no one to answer my queries. During the inevitable ups and downs of conducting my research she often reminded me life’s true priorities. This helped me a lot to work for hours together tirelessly. I owe her my whole inspiration of this work.
