## CONTENTS

### 1. INTRODUCTION
1.1 Introduction 1-6
1.2 Selected Literature, Review 6
   1.2.1 Development 6-8
   1.2.2 Displacement 8-11
   1.2.3 Resettlement & Rehabilitation 11-14
1.3 Scope of the Study 14
1.4 Objectives 14
1.5 Methodologies 15-16
1.6 Hypotheses 16
1.7 Chapters 17

### 2. CONCEPTUAL FRAMEWORK
2.1 Introduction 18-21
2.2 Dams as Development 21-25
   2.2.1 Hydropower 25-27
   2.2.2 Irrigation 27-29
   2.2.3 Flood Control 29-32
2.3 Displacement 33
   2.3.1 The Institutional and Political Context of Displacement 33
      2.3.1.1 Land Acquisition: Law and Policy 33-34
      2.3.1.2 International Finance & Role of World Bank 34-35
      2.3.1.3 Privatization and Market 35-36
   2.3.2 Social Context of Displacement 36
      2.3.2.1 Displacement of people and livelihoods 36-38
      2.3.2.2 Indigenous people 38-39
      2.3.2.3 Human Health 39-40
      2.3.2.4 Gender 40-42
      2.3.2.5 Cultural Heritage 42-43
      2.3.2.6 Displaced and Host Communities 43-44
2.3.3 International Context of Displacement  
  2.3.3.1 Refugee and International Organizations  
2.4 Resettlement and Rehabilitation  
  2.4.1 Objectives  
  2.4.2 Strategies  
    2.4.1.1 Land for Land  
    2.4.1.2 Non-Land Based Strategies  
  2.4.3 Resettlement Experiences of Various Countries  
2.5 Role of the World Bank  
  2.5.1 Objectives  
  2.5.2 Responsibility  
  2.5.3 The Bank’s Impact on Resettlement (National) Policies  
  2.5.4 Impact on Other International Funding Agencies  
  2.5.5 Consequences of Policy Reforms  
  2.5.6 Difficulties in Policy Reforms  
  2.5.7 Internal Displaced People (IDPs) International Organizations  
  2.5.8 Protests and Insurgency  

3. DYNAMICS OF DEVELOPMENT  

Hirakud Dam  
3.1 Introduction  
3.2 Drought and Floods in Orissa  
3.3 Flood Enquiry Committees  
3.4 Mahanadi Valley Development: The Unified Basin-Wide Plan  
3.5 Hirakud Dam Project  
3.6 Objectives  
  3.6.1 Flood Control  
  3.6.2 Irrigation  
  3.6.3 Hydropower Generation  
  3.6.4 Navigation
3.7 Actual Performance
   3.7.1 Flood Control
   3.7.2 Navigation
   3.7.3 Hydropower Generation
   3.7.4 Irrigation
3.8 Industrial Units Drawing Water from the Hirakud Reservoir in
   the First Phase (1957)
3.9 Industrial Units Drawing Water from the Hirakud Reservoir in the
   Second Phase after the 1990s
3.10 Discontent Among Farmers
3.11 Evaluation
Kaptai Dam
   3.12 Introduction
   3.13 Economic Backwardness & Industrial Development in Pakistan
   3.14 Industrial Planning in Pakistan
   3.15 Rational for Kaptai Dam
   3.16 Objectives
      3.16.1 Hydropower Generation
      3.16.2 Flood Management
      3.16.3 Irrigation
      3.16.4 Navigation
3.17 Actual Performance
   3.17.1 Hydropower Generation
   3.17.2 Flood Management
   3.17.3 Irrigation
   3.17.4 Navigation
3.18 Comparative Study
   Conclusion
4. CONSEQUENCES OF DISPLACEMENT

Hirakud Dam

4.1 Introduction 118-19
4.2 The Institutional and Political Context of Displacement in India 119
  4.2.1 Land Acquisition: Law and Policy in India 119-20
  4.2.2 International Finance and Dam Building in India 120-21
  4.2.3 Privatization and Market in India 121-22
4.3 Hirakud Dam and Anti-Dam Agitation 122-24
4.4 Hirakud Dam and Displacement 124-25
4.5 First Phase of Compensations 125-34
4.6 Displacement and its Impacts 134
  4.6.1 Displacement of People and Livelihoods 134-37
  4.6.2 Human Health 137-38
  4.6.3 Gender 138-39
  4.6.4 Displaced and Host Communities 139-40

Kaptai Dam

4.7 Introduction 140-46
4.8 Institutional and Political Context of Displacement in Bangladesh 146
  4.8.1 Land Acquisition: Law and Policy in Bangladesh 146-47
  4.8.2 International Finance and Dam Building in Bangladesh 147
4.9 Kaptai Dam and Anti-Dam Agitation 147-48
4.10 Kaptai Dam and Displacement 148-49
4.11 Compensations 149-50
4.12 Displacement and its Impacts 150
  4.12.1 Displacement of People and Livelihoods 150-55
  4.12.2 Human Health 155
  4.12.3 Gender 156-57
  4.12.4 Displaced and Host Communities 157-63
4.13 Comparative Study 163-68
  Conclusion 169
### 5. POLITICAL ECONOMY OF REHABILITATION

**Hirakud Dam**

5.1 Introduction 170
5.2 Road to Resettlement and Rehabilitation Policy in India 170-73
5.3 Resettlement and Rehabilitation Policy in India 173-78
5.4 Resettlement and Rehabilitation Policy in Orissa 178-81
5.5 Resettlement and Rehabilitation of the Hirakud Dam Project 182
  5.5.1 Land Based Strategy 182-91
  5.5.2 Non-land based strategy 191
5.6 The Second Phase of Compensation & Rehabilitation 191-96
  5.6.1 Payment of Ex-gratia to Jhankars & Choukidars 198
  5.6.2 Regularization of the District Collectoriate Patta 199
  5.6.3 Payment of Compensation as Ex-gratia to the Oustees 201-02
  5.6.4 Provision of Homestead Land for the Oustees 202

**Kaptai Dam**

5.7 Introduction 203
5.8 Resettlement and Rehabilitation Policy in Bangladesh 203-05
5.9 Resettlement & Rehabilitation of the Kaptai Dam Project 205
  5.9.1 Land Based Strategy 205-07
  5.9.2 Non-land Based Strategy 207
5.10 Consequences of Non-Resettlement & Non-Rehabilitation 208
  5.10.1 Pakistan Period (1947-1971) 208-10
  5.10.2 Bangladesh Period (1971-onwards) 210
    5.10.2.1 Sheikh Mujibur Rehman (1972-75) 210-12
    5.10.2.2 Ziaur-Rahman (1976-1981) 212-13
    5.10.2.3 General Hussain Muhammad Ershad (1982-1990) 213-14
    5.10.2.4 Khaleda Zia (1991-1996) 214-15
    5.10.2.5 Sheikh Hasina (1996-2001) 215-18
    5.10.2.6 Khaleda Zia (2001-2006) 218-19
5.11 Comparative Study 219-22
  Conclusion 222-23
6. CONCLUSION

Appendix 1 224-37
Appendix 2 238-47
Appendix 3 248-57
Appendix 4 258-65
Appendix 4 266
Bibliography 267-83
