Acknowledgements

I express my sincere gratitude to my supervisor Prof. Jayanta Kumar Dash, current Head of the Department of Mathematics, Institute of Technical Education and Research, Siksha ‘O’ Anusandhan University, Bhubaneswar, India. I feel delighted, for his keen interest, valuable guidance, constant help and constructive encouragement throughout my research work.

I am really grateful to my co-supervisor Dr. Srikumar Acharya, Department of Mathematics, School of Applied Sciences, KIIT University, Bhubaneswar, India. Without his wholehearted involvement, advice, support and constant encouragement, it would have been impossible to complete the research work.

I wish to express my warm and sincere thanks to all the members of my Doctoral Scrutiny Committee, namely Prof. G. C. Dash, Prof. S. Chand, Prof. M. Acharya, Prof. M. Das and Prof. A. K. Mohapatra for their encouragement and valuable suggestions during my research work.

I am really indebted to all faculty members of the Department of Mathematics, Institute of Technical Education and Research, Siksha ‘O’ Anusandhan University, Bhubaneswar. In particular, I respectfully acknowledge Prof. B.P. Acharya, Prof. P.K Satpathy, Department of Mathematics and Prof. A. K. Mohanty, Department of English for their valuable suggestions and encouragement.

I am immensely indebted to Prof. Manojranjan Nayak, President, Siksha ‘O’ Anusandhan University. I am thankful to Prof. P.K. Nanda, Dean Research and Prof. P.K.Sahoo, Dean ITER, Siksha ‘O’ Anusandhan University for their kind support.

I am immensely thankful to the family members of my co-guide, in particular to Dr. Mitali Madhusmita Acharya for her whole-hearted support, encouragement, and inspiration given to me throughout my research period.

I am grateful to all the office staff of our Department and the authorities of Institute of Technical Education and Research, Siksha ‘O’ Anusandhan University for their kind help during the period of my thesis work.

I am also thankful to my husband Er. Jitendra Kumar Das for his wholehearted involvement, advice, support and help. He also helped me a lot during my data collection in a reputed cold drink company.

I respectfully and sincerely acknowledge the inspirational help, constant love and affection, moral support, encouragement and blessings extended to me by my
father Mr. Lambodar Ranarahu and mother Mrs. Nayana Ranarahu.

I express my heartiest gratitude and deep sense of obligation to my other family members, namely Rashmi Ranjan, Alok Ranjan and Deepak Ranjan and my loving kids Dibyajyoti and Soumyajyoti, whom I missed all the time, for their moral support and encouragement without which this thesis would not have been possible.

I thank my friends namely Asst. Prof. A. Sahoo, Dr. S. R. Mishra for their support, co-operation, and sincere help in various ways. I am also thankful to Dr. Smarajit Barik, Dr. Kundan Kumar, Dr. Sanjay Dutta, Dr. P.K. Rout and Dr. Kanan Patro.

Last but not the least I express my heartfelt gratitude to the divine mother “Sri Maa” and “Sri Aurobindo” for their grace and blessings which enabled me to achieve my goal.
