ACKNOWLEDGEMENT

I express my deep sense of gratitude to the Late Prof. Dr. G. Karthikeyan, former Head of the Department of Chemistry, Gandhigram Rural Institute, for his help in selecting the problem, invaluable suggestions, eminent guidance and supervision and constant encouragement throughout the course of this investigation.

I record my sincere thanks to Dr. Anitha Pius, Associate Professor in Chemistry, GRU for her invaluable suggestions, supervision and constant encouragement and support for completing my research work.

I am greatly indebted to Prof. Dr. N. S. Nagarajan, Department of Chemistry, and Prof Dr. M. Sundaravadivelu Head, Department of Chemistry, Gandhigram Rural Institute for their valuable help and support during my research work.

I am grateful to Prof. Dr. M. G. Sethuraman and Dr. S. Meenakshi and Dr. K. P. Elango, Associate Professors in the Department of Chemistry, Gandhigram Rural Institute, Gandhigram for their valuable help and support during the study.

I wish to express my sincere thanks to Dr. Siva Elango, Mr. N. Viswanathan, Mr. G. Viswanathan, Mr. M. Rajiv Gandhi, Research Scholars, Department of Chemistry, Gandhigram Rural Institute, for their help and support.

I record my sincere thanks to the former and present Principals of St. Berchmans College, Changanacherry, Kerala, for their support and encouragement during the period of my research work.

I offer my sincere thanks to the my colleagues, Prof. K. J. George, Prof. P. C. Cherian, Dr. T. V. Mathew, Dr. Cherian Mathew, Dr. K. C. Philip, Mr. George Sebastian, and Mr. Renjith Thomas of the Department of Chemistry, St. Berchmans College, Changanacherry, Kerala, for their valuable help and support.

My sincere thanks are due to Mrs. Jayalakshmi Karthikeyan, Ms. Darshana and my friends for their valuable help and support during my research work.

I owe my heartfelt thanks to my family members, Mrs. Mariamma Mohan, Minnu Mohan, Meethu Mohan and Mischel Mohan for their love, affection and constant encouragement.

MOHAN THOMAS
