ACKNOWLEDGEMENTS

In the name of Allah, the most beneficent, the most merciful, who showers me with the necessary courage, vision, determination, and faith, and for making this dream come into reality.

Foremost, I would like to express my deepest gratitude to my thesis supervisor Dr. Md. Amirullah Khan. I have enjoyed working with him ever since I joined my PhD course at Department of English, Aligarh Muslim University. He has always been a great resource for ideas and solutions; and his encouragement and support have made the difficult times during my thesis exploration less frustrating. I am also most grateful to him for helping me to overcome the language barrier as a non-native speaker of English. His understanding, patience, encouragement, and being a role model have been the most important factors in increasing my confidence and improving my skills in oral communication and technical writing.

I would like to thank Professor Seemin Hasan, Chairperson, Department of English at Aligarh Muslim University, Aligarh (India), for her encouraging gestures and extending all official support.

I would especially like to thank Dr. Zeinab Sarwat, for providing brilliant comments and suggestions and constant cooperation whenever needed. I have learned and benefited a lot from my long association with her.

I will ever feel indebted to all students, who participated in the Main Study and extended their inputs during this study.

I would like to sincerely thank my dear spouse, Khaled Kordi Tamandani who despite managing his own research work, has played a prominent role in supporting me during all my research years. He showed constant patience and encouragement during my stay in India to complete the present research in spite of difficulties that we faced.

A special thanks to my family. Even the words fail to express how grateful I am to my Father Mr. Mohammad Jahanshahi and my mother Mrs. Seddighe Papoli, for being a constant source of Inspiration admiration to me throughout my life. Your prayer for me was what sustained me this far.

Last but not the least, I would also like to thank all of my close friends and family members who always encouraged and believed me to strive towards my goal.

Mehrnaz Jahanshahi
