ACKNOWLEDGEMENTS

I would like to express my deep sense of gratitude to my beloved Co-supervisor Prof. B. B Kaliwal vice-chancellor, Davangere University, Shivagangothri, Davangere, and supervisor Dr. C. T. Shivasarana, Assistant prof. in Karnataka University, Dharwad for their valuable comments, remarks, inspiration and constant engagement through the learning process of this thesis. They are continually and convincingly conveyed a spirit of adventure in regard to research. Without his encouragement and guidance this research work would not have materialized. They are stood by me from the beginning, giving me moral support, guiding me in the right direction to reach my goals. My appreciation for his knowledge, simplicity, enthusiasm and helpfulness cannot be described in simple words in making me acute and perfect by providing effective advices in each and every step of this research work.

I express my sincere thanks to Dr. A. B. Vedamurthy, Chairman, P.G. Department of studies in Biotechnology and Microbiology, Dr. V. Shyamkumar, Dr. M. B. Hiremath, Dr. Sudish Jogaiah and Dr. Chetan J. D for their valuable advices and support.

I express my honest thanks to senior professors Prof. H. S. Patil, Prof. C. K. Rudramuniyappa, Prof S. A. Nevagi, Prof. V. L. Kallapur and Prof. R. D. Kanamdi for their valuable advises and support.

I would like to extend my sincere heartfelt thanks and gratitude to Mrs. Shobha B. Kaliwal for her blessings, Mr. Rohit, Mrs. Reshma and Mr. Santosh for their wishes, encouragement and support.
A special thanks to my family. Words cannot express how grateful they are to me. I am very thankful to my parents **Shri. Goudappa M. Biradar** and **Smt. Yallamma G. Biradar**. I have great pleasure in expressing my deep sense of respect and sincere thanks to my Grandmothers Rukminidevi M. Biradar and Bangaramma M. Kullolli, uncle Malagouda. M. Biradar, Basappa Maled and aunt Kamala M. Biradar, Kasthuri Maled, Gangamma Katti, my cousin brothers, Appannagouda Biradar and Suresh Biradar sisters, Rajashree, Shashikala and Mahananda and my brothers in law Bheemappa. L. Kullolli, Ramappa Kullolli, Ningappa Kullolli, Shivanand Katti, Gururaj Kullolli and Manjunath Maled.

I am greatly indebted to my teachers **Dr (Smt). R.D. Sanakal**, **Dr. Gurusiddesh**, **Dr. ChandrashekharUnakal**, **Dr. ArunShetti**, **Dr (Smt). Amritha Kulkarni**, **Dr. Mahantesh Kurjogi**, **Dr. Suneel Dodamani**, **Dr. Jayaraj Chinchali**, **Dr. Sadashiv S.O**, and my research colleges **Mr. Shakeel Ahmed Adhoni**, **Mr. Gangadhar Gouripur**, **Mr. Adiveppa Vantamuri**, **Mr. Praveen Satapute** and **Mr. Lakkanagouda Patil and Dharshan G.H** for their support with worthy suggestions, encouragement and motivation for my research work. I am very much thankful to **Smt. Shashikala Aladmar** and **Smt. Girija Aladmar** for their motivation and blessings for this work.

My heartily thanks to my friends **Mahadev Khethgoudar, Prakash Naragatti, Ramesh Yadavannavar, Ashwini Immadi, Mahadev Kumbar**, and **Bheemanagouda Patil** for their continuous inspiration, encouragements throughout my work.

It’s my privilege to thank all the teaching and non-teaching staff of Post-Graduate Department of Studies in Biotechnology and Microbiology, Karnataka University, Dharwad for their help and co-operation throughout my research work.
I am grateful to the Department of Biotechnology (DBT), Ministry of Science and Technology, Government of India, New Delhi, for funding the Interdisciplinary Program for Life Science Project (BT/PR/4555/INF/22/126/2010, dated 30-09-2010), Bioinformatics Infrastructure Facility Project (BT/BI/25/001/2006 VOL II dated 05-03-2012), UGC-UPE Fellowship and to the P. G Departments of studies in Biotechnology and Microbiology, Karnataka University, Dharwad for providing the necessary facilities.

I conclude by expressing my sincere thanks to all those who have helped me directly or indirectly in the completion of this work.

Place: Dharwad
