ACKNOWLEDGEMENTS

By the grace of Almighty God, I am able to complete my Ph.D. thesis successfully. I am thankful to everyone who has helped me in any possible way in the whole journey of my Ph.D. I am thankful to my teachers, family members and friends.

I am deeply indebted to my supervisor Prof. Nasrin under whose able guidance, constant support, expert advice and constructive criticism, I have carried out my research work. Her meticulous reading of the manuscript has given me new insights. Her words of inspirations will be the source of guidance for me throughout my life.

I am thankful to Prof. Mohammad Pervez, the Chairman, Department of Education, who has inspired and encouraged me in all possible manners. I am also grateful to the senior professors and ex-chairpersons of the Department of Education, Prof. C.P.S. Chauhan, Prof. Nabi Ahmad and Prof. Sunita Sharma who had provided me all the facilities which I needed in their tenure and guided me as experts. I am also thankful to all the teachers of the department from whom I have learnt immensely. It is the non-teaching staff of the Department who has fulfilled all my needs and gave me the feeling of my home. I am highly thankful to them for their help.

I am thankful to all fellow research scholars in the department who have provided me with academic and intellectual environment. My seniors Dr. Mohd Shakir, Akshay Kumar Yadav, Bharti Varshney, Sunanda Jain, and Pragya Gupta have constantly supported me in all possible manners. I am also thankful to the fellow research students in the department of Education specially Mohd. Hasan and Razia Bee who have extended their helping hands and sheltered me under their intellectual canopy.
