List of Figures

Figure 3.3.1 Pre test Parity between Experimental and Control Group (Phase 1)…………………………………………………………94

Figure 3.3.3 Pre Test Parity between Experimental and Control Group Children…………………………………………………………….96

Figure 3.4.3 (b) Inter Rater Reliability Index for OSC…………………………………….106

Figure 3.4.3 (i) Inter Rater Reliability Index for CSC…………………………………….112

Figure 4.1 Pre test Parity between Experimental and Control Group (Phase 1)…………………………………..121

Figure 4.2.1 Caregiver Language Teaching Behavior at Pre and Posttests………………………………………………………………122

Figure 4.2.1(a) Experimental Group (Phase 1) Signing Behavior at Pre and Posttest……………………………..123

Figure 4.2.1(b) Experimental Group (Phase 1) Usage of Alternative Modes for Comprehension at Pre and Posttests…………………………………………124

Figure 4.2.1(c) Experimental Group (Phase 1) Facilitation of Communication at Pre and Posttests…………………………….125

Figure 4.2.1(d) Experimental Group (Phase 1) Communication Style at Pre and Posttests………………………………….126

Figure 4.2.2 Comparison of Language Teaching Behavior of Experimental and Control Group (Phase 1)………………………….127

Figure 4.2.2(a) Comparison of Signing Behavior of Experimental and Control Group (Phase 1)……………………………………………….128
Figure 4.2.2(b) Comparison of Usage of Alternative Modes for Comprehension of Experimental and Control Group (Phase 1)………………………………………………………………………………129

Figure 4.2.2 (c) Comparison of Facilitation of Communication of Experimental and Control Group (Phase 1)...........................................130

Figure 4.2.2(d) Comparison of Communication Style of Experimental and Control Group (Phase 1)....................................................131

Figure 4.2.3 Opinion of Caregivers regarding AAC Training..................132

Figure 4.2.4 Language skills of Experimental Group at Pre and Posttests (Phase 2).............................................................................133

Figure 4.2.4 (a) Comparison of Pre and Posttests Score on ability for Noun Comprehension of Experimental Group (Phase 2)........................................................................................134

Figure 4.2.4 (b) Comparison of Pre and Posttests Score on ability for ActionWords Comprehension of Experimental Group (Phase 2)..............................................................................................................135

Figure 4.2.4(c) Comparison of Pre and Posttests Score on ability for Locative Words Comprehension of Experimental Group (Phase 2).............................................................................................................136

Figure 4.2.4 (d) Comparison of Pre and Posttests Score on ability for DescriptiveWords Comprehension of Experimental Group (Phase 2 ).........................................................................................................................137
Figure 4.2.4 (e) Comparison of Pre and Posttests Score on ability for Simple Commands Comprehension of Experimental Group (Phase 2)…………………………………………………………138

Figure 4.2.4 (f) Comparison of Pre and Posttests Score on ability for Expression of Nouns of Experimental Group (Phase 2)……………………………………………………………139

Figure 4.2.4 (g) Comparison of Pre and Posttests Score on ability for Expression of Action Words of Experimental Group (Phase 2)……………………………………………………………141

Figure 4.2.4 (h) Comparison of Pre and Posttests Score on ability for Expression of Locative Words of Experimental Group (Phase 2)……………………………………………………………142

Figure 4.2.4(i) Comparison of Pre and Posttests Score on ability for Expression of Descriptive Words of Experimental Group (Phase 2)……………………………………………………………143

Figure 4.2.4 (j) Comparison of Pre and Posttests Score on ability for Expression of Simple Commands of Experimental Group (Phase 2)……………………………………………………………144

Figure 4.2.5 Comparison of language Skills of Experimental and Control Group (Phase 2) ……………………………………………………………………………………………………………………………145

Figure 4.2.5(a) Comparison of Noun Comprehension of Experimental and Control Group (Phase 2) …………………………………………………………………………………………………………………………146

Figure 4.2.5 (b) Comparison of Action Words Comprehension of Experimental and Control Group (Phase 2) …………………………………………………………………………………………………………………………147
Figure 4.2.5(c) Comparison of Locative Words Comprehension of Experimental and Control Group (Phase 2)........................................148

Figure 4.2.5(d) Comparison of Descriptive Words Comprehension of Experimental and Control Group (Phase 2) .........................149

Figure 4.2.5 (e) Comparison of Simple Commands Comprehension of Experimental and Control Group (Phase 2)..............................150

Figure 4.2.5 (f) Comparison of Expression of Nouns of Experimental and Control Group (Phase 2)........................................151

Figure 4.2.5 (g) Comparison of Expression of Action Words of Experimental and Control Group (Phase 2)..............................152

Figure 4.2.5 (h) Comparison of Expression of Locative Words of Experimental and Control Group (Phase 2)..............................153

Figure 4.2.5 (i) Comparison of Expression of Descriptive Words of Experimental and Control Group (Phase 2)..............................154

Figure 4.2.5 (j) Comparison of Expression of Simple Commands of Experimental and Control Group (Phase 2)..............................155
