ACKNOWLEDGMENT

I express my deep sense of gratitude of the prophetic vision in guidance, encouragement and unflinching co-operation of my mentor and supervisor, Dr. Basanta Kumar Choudhury, Reader, Department of Botany, Government College, Rourkela. Indeed, he has been the prime mover of my research work, constantly guiding, offering creative comments and constructively supervising at each and every stage of this research work culminating in the completion of this project.

I convey my deep sense of indebtedness to Sri S.N.Mishra, Head of the postgraduate Department (Botany), Government College, Rourkela for continued enthusiasm and valuable suggestions. I am also very much thankful to Dr. Md.Ayub, Dr. Mrs. M.Panda, Sri S.N.Khandagiri and Dr. P.K.Pradhann for their splendid inspiration as well as technical assistance when ever and where ever needed throughout this research project.

I am extremely thankful to Prof. Dr. Ashok Kumar Das, Chairman; Council of Higher Secondary Education, Orissa Bhubaneswar and Prof. K.R.P.Rao, former Principal of this college, for their keen inquisitiveness shown from time to time till the completion of the research project.

My special thanks to University Grants Commission for granting me the minor research project which helped me in procuring the instruments for doing my research work.

My thanks to Dr. Mrs N. Mallick, Reader in Chemistry and Dr. Mrs. S. Panda, Lecturer in Chemistry of this college for their encouragement for the work.

I am extremely thankful to Dr. Miss. Sujata Das, Mrs P.Swain, Mrs M.Sharma and Miss A.Das, the research scholars of the department for their all time help for the completion of this work.

I am equally thankful to all the staff members of the department and my special thanks are due to Sri Indu Bhushan Nayak, technical assistant of the Botany Research Laboratory for his candid co-operation throughout the tenure of this work.
My sincere thanks to my brother-in-law Dr. Anup Kumar Behera, Assistant Professor, Illinois Institute of Technology, Chicago, U.S.A, for his constant encouragement and advises given from time to time.

It has been my immense pleasure to express my humility and regards to my elder brothers Lt. Col. S. Jagannatha Rao and Dr. S. Vikuntha Rao, whose blessings and inspirations have propelled and enthused me walk this long way in developing this research work.

My thanks are due to Sri V. Bapuji for computer typing and printing and Sri Tapan Kumar Mishra for the computer graphics, which brought the research work in the present form.

I would like to give my special thanks to my niece Miss. Mohini Ratna Senapati and my loving sons Vijay Anand and Vikram Anand whose encouragement and support have added feather to the research work. Finally my admiration and respect to my husband Sri Ajit Kumar Behera, for his constructive support, patience and ardent understanding in completing my cherished objective.
