ACKNOWLEDGEMENT

I wish to express my deep sense of gratitude to Dr. A. Panda, Lecturer in Chemistry, P.G. Department, Sambalpur University, Jyoti Vihar, Burla, for his guidance throughout the present investigation.

I am extremely thankful to Dr. P.N. Patel, Dept. of Chemistry, G.M. College, Sambalpur for his keen interest in the work and for many helpful suggestions.

I am thankful to Heads of the Departments of Chemistry, Sambalpur University P.G. Department and G.M. College, Sambalpur for providing me with laboratory facilities.

My thanks are due to Mr. O.P. Agrawal, Lecturer in Chemistry, G.M. College, Sambalpur for his constant help and encouragement throughout this work. I am grateful to Mr. C.B.Z. Rao of T.R.L. for taking X-ray, electron micrographs and I.R. readings for this work.

I am deeply indebted to my elder brother Dr. U.K. Tripathy, Lecturer in Mathematics, U.C.E., Burla, Dr. (Mrs.) S. Pandey, Lecturer in Zoology, Women's College, Sambalpur and Dr. H.Ch. Pandey, Lecturer in Chemistry, L.N. College, Jharsuguda for their constant help and encouragement without which the work could not have been completed. I am also thankful to Mr. M.N.C. Pillai for typing the dissertation at the quickest possible time.

Finally I thank my wife Mrs. Puspayjali Tripathy for her constant encouragement and assistance.

Sambalpur,
The 17th Dec '87

NARENDRA KUMAR TRIPATHY
