CHANGES INCORPORATED IN THE ANNEXURE ON THE BASIS OF THE POINTS RAISED BY THE ESTEEMED EXAMINER:

CHAPTER 1: INTRODUCTION
The introductory chapter—included—importance of the study, its objectives, research design, methodology, data analysis etc. The introductory portion has been reduced as recommended.

CHAPTER II: THEORETICAL FRAMEWORK
Theoretical framework has been included in Chapter-II as recommended; emphasis was placed on the importance of the components such as Role Performance and Role Conflict.

CHAPTER III: LITERATURE REVIEW
This Chapter has been modified and included only those variables necessary for this research work. The findings of various authors on those variables have been dealt with.

CHAPTER IV: ANALYSIS OF RESULT
Demographic profile of the sample, ANOVA test of the five dependent variables with eight independent variables and the Correlation Matrix between dependent variables have been included in this Chapter as commented.

CHAPTER V: FINDINGS
On the basis of the changes in the analysis incorporated in Chapter-IV, the major findings have been described.

About Questionnaire Clarification: The samples for this research were drawn from women police working at Delhi and Orissa for whom the minimum qualification is Matriculation. Hence, it was presumed that they understand English and therefore it was not necessary to translate into local languages (Hindi / Oriya). It was felt that they understand English as no clarification was sought.

CLARIFICATION ABOUT QUESTION NO. 15:
The respondent understood the question No. 15 “on sufficient weapon” and replied accordingly. It was clarified at the time of interview.
