ACKNOWLEDGEMENTS

I express my deep sense of gratitude to my teacher Prof. Dr. G. C. Kar, under whose inspiring supervision this research programme was undertaken. The continued persuance, generous cooperation and goodwill that I have received from my teacher Prof. Kar & Madam Kar are overwhelming and unforgettable.

I pay my deep sense of gratitude to all my teachers and mother Smt. Charubala Pati for their blessings to make me capable to complete this stupendous job. I acknowledge the valuable guidance I have received from Dr. J. Sandesra, Bombay University, C. M. Pralhadachar, Institute of Social and Economic Change, Bangalore, Dr. T. Srivenkatraman, Bangalore University, Dr. C. Thangamuthu, Bharathidasan University, Trichy, Dr. A. P. Srivastav, Bundelkhand University, Jhansi, Dr. R. V. Mahore, Nagpur University, at various stages of the research work.

The information services rendered by the agencies such as, The Directorate of Industries, Government of Orissa, Bureau of Statistics and Economics, District Industries Centre of Cuttack, Balasore, Puri and Ganjam, Orissa Small Industries Corporation Ltd., Industrial Promotion and Investment Corporation Ltd., Reserve Bank of India, Bhubaneswar and the Computer Centre, Indira Gandhi Institute of Technology, Sarang are notably acknowledged.

My thanks are also due to Dr. D. N. Firda, Principal, Govt. College, Angul, Premalata Das, Head, Department of Economics,
Government College, Angul and Dr. M. M. Mohanty, College of Teacher Education, Angul for their inspirations. I acknowledge the timely response from the Industrial Promotion Officers of several Block Headquarters of my study region.

I express my gratitude to my husband Dr. Basudev Satpathy, Head, Department of Geography, Government College, Angul, not only for his cooperation in the research work, but also for his encouragement and inspiration for the timely completion of the work. My heart-felt love is always due for my lovely daughter 'Annie' for her inspirations through her sweet smile.

Finally, I am thankful to M/s. Quick Xerox, Mangalabag, Cuttack for the preparation of this thesis in its present form. The facilities provided by P.G. Department of Analytical and Applied Economics, Utkal University and the libraries of various Universities are duly acknowledged.
