ACKNOWLEDGEMENTS

It is a deep sense of gratitude that I acknowledge my indebtedness to my Guide and Supervisor, Dr. P. RAJENDRAN, M.Sc., Ph.D., D.M.V., D.H.Ed., D.D.E., F.I.C.S., F.A.B.M.S., M.I.S.L., M.Ny. A. Sc. (USA), Professor, Dept. of Microbiology, Dr. ALM PG IBMS, University of Madras, Chennai - 600 113, who not only introduced me to this fascinating field but also for the unstinted expert guidance, stimulating criticism, kind treatment, constant encouragement and invaluable advice at every step in my endeavour.

I am very grateful to Dr. S.P. THYAGARAJAN, M.Sc., Ph.D., M.D., D.Sc., F.I.M.S.A., F.A.B.M.S., F.A.M.S., F.N.A.Sc., M.Ny.A.Sc. (USA), Professor & Head, Dept. of Microbiology, Dr. ALM PG IBMS, Chennai and Dean of University - Industry Interaction Centre, University of Madras, Chennai, for permitting me to carryout research work in this department and for giving me a constant encouragement and advice.

I am deeply indebted to Dr. (Mrs). USHA ANAND RAO, M.Sc., Ph.D., Professor, Dept. of Microbiology, Dr. ALM PG IBMS, Chennai, for constant encouragement, moral support and valuable suggestions, throughout my research work.

I express my sincere thanks to Dr. M.S. KRISHNAMOORTHY, Professor & Head, Dept. of Pharmacology and Former Director and Dr. A. NAMSIVAYAM, Professor & Head, Dept. of Physiology and Director, Dr. ALM PG IBMS, Chennai and for granting the permission to undertake this work.

My thanks are due to Dr. S.G. GNANAVENDAN, Director, Forensic Sciences Department, Coimbatore (India), for expert suggestions as a member of my Advisory Doctoral Committee.
I owe my thanks to Dr. (Mrs). Chandramuki, Professor & Head, Dr. (Mrs). Neelam Khanna, Asst. Professor, Dr. (Mrs). Nalini, Asst. Professor, Dept. of Microbiology, National Institute of Mental Health and Neurosciences, Bangalore (India) and Dr. (Mrs). Mary Mathew, Professor, Dept. of Microbiology, Christian Medical College & Hospital, Vellore (India) for giving me an expert training in the field of cryptococcosis.

My sincere and heartfelt thanks are due to Dr. C.N. Deivanayagam, Superintendent and Dr. R. Rangarajan, Medical Officer, AIDS Wards, Govt. TB Hospital, Sanatorium, Chennai and to Dr. (Mrs). Suniti Solomon, Director, YRG CARE, Centre for ADIS Research and Education, T.Nagar, Chennai, for giving permission to undertake study with the AIDS patients in their institutions.

I am exhilarated to acknowledge the kind help rendered by Dr. F. Staib, Former Chief, Mycology Unit, Robert Koch Institute, Berlin, West Germany and Dr. M. Pal, Former Head, Dept. of Veterinary Public Health, College of Veterinary Science, Gujarat (India) for literature collections and invaluable suggestions.

My thanks are also due to Dr. Reiko Ikeda, Dept. of Microbiology, Meiji College of Pharmacy, Japan, Dr. Takashi Mochizuki, Dept. of Dermatology, Shiga University of Medical Sciences, Japan, Dr. Brian Wickes, Microcide Pharmaceuticals Inc., California, USA and Dr. Shawn A. Messer, Dept. of Pathology, University Iowa, USA for kindly gifting the standard strains of C. neoformans.

I also thank Dr. Jerry Sepiwall, Director, Hoffmann-La-Roche, New Jersey, USA., Mr. P. V. Kanitkar, Manager - Quality Operations, Pfizer Ltd., Mumbai (India) and Dr. A. Sankaranarayanan, Chief of Pharmacology & Biological Sciences, Torrent Pharmaceuticals Ltd., R & D Centre, Gujarat (India) for gifting antifungal drugs for my study.
I owe my thanks to Dr. T. Rajkumar, Microbiologist, Cancer Institute, Chennai, Mr. Gandhiraj, Former Microbiologist, Tamilnadu Hospital, Chennai, Dr. Thara Francis, Malar Hospital, Chennai, Dr. Vijayalakshmi, Chennai Medical College, Chennai, Mr. Soundarapandian, Former Microbiologist, Tietz Clinical, Diagnostic Laboratory and Research Centre, Madurai, Dr. (Mrs) Anita, Thirunelveli Medical College, Thirunelveli, Dr. (Mrs) Chandramuki, Professor & Head, Dept. of Microbiology, NIMHANS, Bangalore, Dr. B.M. Hemashettar, Professor, Dept. of Microbiology, J.N. Medical College, Belgaum, Dr. B.V. Peerapur, Asst. Professor, Dept. of Microbiology, BLDEA’s Medical College, Bijapur, Ms. Sree Mala, Tutor, Dept. of Microbiology, Sri Devaraj Urs Medical College, Kolar, Dr. (Mrs). V. Lakshmi, Professor and Head, Dept. of Microbiology, Nizam’s Institute of Medical Sciences, Hyderabad, Dr. (Mrs). Ratna Rao, Chief Microbiologist, Appollo Hospital, Hyderabad, Dr. (Mrs). S. A. Kulkarni, Professor & Head, Dept. of Microbiology, Krishna Institute of Medical Sciences, Karad, Dr. (Mrs). Uma M. Tendolkar, Associate Professor, Dept. of Microbiology, L.T.M. Medical College & Hospital, Mumbai, Lt. Col. S. Gokhale, Dept. of Microbiology, Armed Forces Medical College, Pune, Dr. P. K. Maiti, Head, Dept. of Medical Mycology, School of Tropical Medicine, Calcutta and Dr. (Mrs). Preeti R. Mehta, Professor, Dept. of Microbiology, T.N. Medical College, Mumbai, for kindly donating the clinical isolates of C. neoformans.

I cherish the association and help rendered by my colleagues, Dr. (Mrs). M. M. Usha, Mr. N. P. Pramod, Dr. K. V. K. Mohan, Mr. R. Hari, Mr. Fabian Davamani, Mr. K. G. Murugavel, Mr. A. G. Joyee, Mr. P. Saravanan, Mr. Mahendra Raja, Mr. S. Dharmalingam, Dr. V. Gopalakrishnan, Mr. V. Arul and Dr. I. Kannan.
I am conscious of the help rendered by Mr. Veeramani, Mrs. Kownhar, Mrs. Geetha, Mrs. Ramani, Mrs. Kalaiselvi and Mr. John from the Dept. of Microbiology, Dr. ALM PG IBMS, Chennai.

My special acknowledgement goes to my dear friends Dr. A.N. Balamurugan, JSPS Research Fellow, Dept. of Organ Reconstruction, Institute for Frontier Medical Sciences, Kyoto University, Japan and Mr. T.E. Jeevanandam, Sri Ramachandra Medical College, Chennai for their unpeered support.

I also extend my sincere thanks to Dr. (Mrs). Melani Rajendran, Associate Professor of Anatomy, Sri Ramachandra Medical College, Chennai for constant encouragement.

I also thank Mrs. Rama Devi, Adyar Students Xerox, Chennai, for typing the manuscript.

My indebtedness also goes to Mr. J. Selvaraj & Family, Mr. V. Boopal & Family and my wife Mrs. S. Parimala for giving me a moral support.

The financial support from the Lady Tata Memorial Trust is hereby gratefully acknowledged.

P. BALAKRISHNAN
