ACKNOWLEDGEMENT

It gives me immense pleasure to sincerely express my gratitude to my research guide Dr. G. Y. Shitore, who has been the foundation of inspiration and whose consistent and able guidance and support encouraged and motivated my energies in accomplishment of entire research work. Without his guidance this research project would have just remained a dream. His continuous support and encouragement has helped me to excel beyond my capacity. I am also indebted to Mrs. Shitore who always backed me as a great source of motivation, encouragement and moral support.

I sincerely thank Dr. Ram Sable, Reader, S.N.D.T. Women's University who consistently provided the guidance about the research work and administrative procedures for pursuing this doctoral research. I am also thankful to Dr. S. S. Kaptan for his consistent encouragement and able guidance.

I owe my sincere thanks to Dr. V. M. Ingavale, the Principal of Shailendra Education Society's Arts, Science and Commerce College, without his co-operation it would not have been possible for me to pursue the research work. I owe my sincere thanks to Dr. S. T. Gadade, Dean, Faculty of Commerce, University of Mumbai for his best wishes.
I would like to acknowledge the fine efforts of Dr. Farooki who contributed to the research work through his guidance in the application of statistical tools in the research work for analysis of the data and testing the hypotheses. I would like to thank all my respondents of primary data whose co-operation enabled me to draw valid conclusions and findings from this research endeavor.

It is my pleasure to thank Mrs. Kanchan Dutt for her consistent moral and operational support and encouragement throughout the tenure of my research endeavor. I would also like to thank Miss Pradnya Mhamunkar for all her support. I am also thankful to Mr. Chetan Sonavane, Librarian at Pillais Institute of Management Studies and Research for providing an access to the knowledge centre.

No words can adequately express my debt of gratitude to my father and my mother for generating in me a perennial interest in higher studies. My special thanks to my sister Abida for her moral support. I also thank my brother Mohammad and sister Rashida for their best wishes. I am also indebted to my father in law and mother in law for their blissful moral support and encouragement. My special thanks are due to my husband’s paternal aunty for her encouragement and support. I would also like to thank
my brothers in law Aditya and Pankaj and sister in law Priyanka for their best wishes.

I would like to thank all those who have directly or indirectly helped me in accomplishment of this research work.

I am pleased to mention Suchit, my intelligent nephew as a source of motivation. A mention of my sweet daughter Siya is very essential as she is the great source of inspiration for me while progressing through the life. I would love to mention the person whose dedicated support and help in all the ways and manners practically made this research work a sweet reality and that is my dear husband Kaustubh.

Mrs. Krutika Kaustubh Sontakke
