ACKNOWLEDGMENTS

Knowing it well that I am attempting against the impossible—acknowledging them who have made their invaluable contribution in the preparation of this thesis, I would make small efforts in that direction.

At the outset, I would like to avail this opportunity to express my heartfelt gratitude and indebtedness to my esteemed supervisor Prof. Ajay Kumar Dubey who not only guided me through this journey but held that rudder of my research firmly till the very end. His advices, sincere and constructive suggestions, continuous encouragement and an in-depth erudition of the subject made my journey smooth and enjoyable. I would also like to give my thanks for his incisive guidance on my field trip to South Africa. Falling short of words to express my honest gratitude for him, I still feel that it has been a lifetime experience to work with him.

I would also like to thanks to Dr. Neil Sahoo, of University of Keele, U.K. for his invaluable advice, encouragement and suggestions in writing for this thesis. He has also helped me in editing and provided the final shape for this research work. I am highly indebted to him. I am also highly grateful to Vijay Bharti for his valuable assistance.

During my filed trip to South Africa, I have been immensely benefited by numerous individuals and institutions, for their cooperation and support in collecting research materials and interview. I would like to mention few individuals such as Ajiz Pahad, Deputy Foreign Affairs Minister of South Africa, Ellia Gandhi, the grand daughter of Mahatma Gandhi in South Africa, Shenan Filed, Deputy Direct of Institute of Global Dialogue, Prof. Kotzi and Prof. Zungu of Durban University, for providing me invaluable research inputs during my stay in South Africa.

No place could be more befitting to express my gratitude to my friends Santosh bainia, Dr. Arun Ray, Rama Krishna, Lulu, James, Akash, Dev, Tusher for their timely help and encouragement which they extended me that keep my moral high during the course of research.

I would also like to thank my center, JNU Library, IDSA Library, Teen Murti Library, MEA Library, DU Library, IIFT Library, CII Library, FICCI Library, Durban University Library official for their kind cooperation in collecting materials.
Last but not least, words are insufficient to express my feelings for my parents, uncle, sister, brother in laws and my niece Little. Without their constant support, sacrifice and blessings, I would never have undertaken this work. If there is a God, I see in them.

While all those again who have contributed towards the completion of this work, errors and inadequacies if any, herein remain to be mine alone.
