ACKNOWLEDGEMENTS

Avaninti oru anuvum asaiyaathu

I am greatly indebted to God Almighty who made this venture possible. As the saying goes Matha, Pitha, Guru, Deivam, my pranams are placed on their lotus feet. I worship with gratitude all deities and dead souls and seek their blessings for the successful completion of this work.

I submit this thesis on the revered feet of late Sri.Sthanumalayamuthaliyar who actually wished to see me as a doctor. The second person who advised me to pursue this study is Prof.Bhaskaran Nair, my father’s friend. Their words always echo in my ears. I extend my sincere gratitude to Dr.Ayyappa Paniker for giving me the green signal to take this topic for research.
