Acknowledgement

I am greatly indebted to the guide Dr. S. Thambidurai, Senior Lecturer, Department of Industrial Chemistry, Alagappa University, for his support, constructive and valuable suggestions during the entire research period.

I wish to express my deep sense of gratitude and sincere thanks to Dr. T. Vasudevan, Professor and Head, Department of Industrial Chemistry, Alagappa University, for encouragement and permitting me to carry out the work.

My heart finds no bounds in extending gratitude to Dr. A. Gopalan, Reader and other staff members, Department of Industrial Chemistry, for their help.

I extend my gratitude to Mr. A. Santhanam, Prop. M/S ARSAN TRADERS, Tirupur, permitting me to carry out the sample testing at his esteemed concern.

My thanks rest upon my fellow research scholars Miss A. Selva Subha, Miss G. Anita Hebsiba and Mr. K. M. Manesh, Kyongpook University for their help during the study.

I extend my sincere thanks to all my friends, research scholars and everyone who directly and indirectly helped me in the successful completion of the research work.

Last but not the least, I am overwhelmed to express my thanks and gratitude to my father Mr. V. Annadurai, mother Mrs. M. Premavathy and all my family members for their love, support, encouragement, prayers and blessings.
