ACKNOWLEDGEMENTS

I express my deep sense of gratitude to Dr. G. LOKANADHA REDDY, Senior Lecturer in Adult and Non-formal Education, Department of Education, Alagappa University, Karaikudi for his valuable guidance and encouragement throughout the period of the present investigation.

I am highly indebted to Dr. S. MOHAN, Professor and Head, Department of Education, Alagappa University, Karaikudi for providing necessary facilities in the department to carry out the present investigation. Further, I would like to record my special thanks to him for the inspirations that he imbibed in me from time to time during the period of investigation.

I am very much thankful to Dr. P. PREMA, Dr. R. KRISHNARAJ, SHRI P. PAUL DEVANESAN and other non-teaching staff of the Department of Education, Alagappa University, Karaikudi for their assistance from time to time to accomplish this task.

I am highly indebted to Dr. Venkataiah, Dean, Faculty of Education, University of Mysore, Mysore and Dr. Padmanabaiah, Professor and Head, Department of Education, S.V. University, Tirupathi for their critical comments and feedback which added to the refinement of research design and methodology.

Also, my profound thanks are due to Dr. Sathyavathi, Professor and Head, Department of Education, Sri Padmavathi Mahila Viswa Vidyalayam, Tirupathi and Dr. Kusuma, Senior Lecturer of the same department whose constructive suggestions added to the enrichment of the research report.
I would like to thank all the panel experts, especially Dr. Sivasubramanian, Principal, ANJA College, Sivakasi and Dr. Sanjeevi Raja, Senior Lecturer, Department of Physics, Alagappa University, Karaikudi for reviewing the modules and multimedia packages and for providing practical suggestions for perfection.

My sincere thanks are due to my beloved staff members Messrs. M.Paramasivam, P.G.Teacher (History), P.Janakkumar, P.G.Teacher (English), R.Thalaimalai, P.G.Teacher (Botany), R.Natarajan, P.G.Teacher (Physics), M.V.Kannan, P.G.Teacher (Chemistry) and K.Kannan, P.G. Teacher (Maths) for their immense contributions to the development of modules and multimedia packages.

I also wish to thank the proprietor of Sharp Video Vision, Rajapalayam for his unflinching co-operation in video shooting and editing.

I am very grateful to computer experts Er.K.Sridhar, M.E., Er.K.Ramasubramanian, B.E., and Shri K.Kannan, proprietor of KKR Computer Centre, Muhavur for their commitment and assistance in development of software for CAI and in bringing out the computer print. The end product would not have been feasible without such commitment and interest in the project.

I am highly indebted to the subjects of the study for extending their cooperation to complete this work.

Muhavur
