Acknowledgement

First, I would like to great thanks to Almighty Allah, Who gave me the power to believe in myself and pursue my dreams. I could never have done this without the faith I have in you, the Almighty.

I take immense pleasure to express my sincere and deep sense of gratitude to my honourable research supervisor, Dr. Kr. Sajid Ali Khan, without whom I would not have completed this study. His sustained enthusiasm, humbleness, kind-heartedness, creative suggestions, motivation and exemplary guidance throughout the course of my research. I learn dedication and devotion to work and wisdom by him. It was just like a Divine gift for me to work and learn so many things from him. Apart from the subject of my research, I learnt a lot from him, which I am sure will be useful in different stages of my life. I have no words to express my gratitude towards my supervisor, I solemnly submit my honest and humble thanks to him for bringing my dreams into reality.

I am very thankful to Prof. Mohd. Ilyas Khan, Chairman, Department of Psychology, for his guidance, fruitful advices, valuable suggestions, and providing all the necessary facilities required throughout the research period and his motivation made me to move on smoothly in this journey of life.

I feel honoured to thank Dr. Shah. M.
