ACKNOWLEDGEMENT

With a deep sense of gratitude, I would like to express my sincere thanks to my guide Dr. R. Dhananjayan, M.Sc., D.H.Ed., Ph.D., M.D.(M.A.), FAMBS, Professor and Head, Department of Pharmacology and Environmental Toxicology, Dr. ALM Post Graduate Institute of Basic Medical Sciences, University of Madras, Taramani campus, Chennai-600 113 for his immense help, guidance and planning to execute this work in time. The confidence and dynamism with which he guided me, and his assistance at every stage of my research will be remembered life long. He provided me with all facilities and support for this research work. Whatever I know today about how to do research, I learned from him and I am indeed indebted to him.

I am grateful to Prof. R. Muthusamy, Director, Dr. ALM Post Graduate Institute of Basic Medical Sciences, University of Madras, Taramani campus, Chennai-600 113 for his invaluable suggestions, personal interest and encouragement throughout my study period.

I also extend my gratitude to Dr. S. Venkataraman, Dean, UICIC (Industrial Consultancy), Dr. R. Venkatakrishna Murali, Dr. M.P. Balasubramanian, Dr. S. L. Maheswari, Professors, Department of Pharmacology and Environmental Toxicology, Dr. ALM Post Graduate Institute of Basic Medical Sciences, University of Madras, Taramani campus, Chennai-600 113 for their unfailing support and critical comments throughout the period of my study.

I am grateful to Dr. S. Karthikeyan, Lecturer, Department of Pharmacology and Environmental Toxicology, Dr. ALM Post Graduate Institute of Basic Medical Sciences, University of Madras, Taramani campus, Chennai-600 113 for his kind advice and valuable suggestions.
I am also thankful to Dr. G. Vijaya Kumar, Technical Officer, Mr. L. Thulasidas (Assistant Section Officer 2001-2002), Mr. S. Selvarajan, Assistant Section Officer, Department of Pharmacology and Environmental Toxicology, Dr. ALM Post Graduate Institute of Basic Medical Sciences, University of Madras, Taramani campus, Chennai-600 113 for taking care of administrative work, for their help and friendliness.

I perceive it as my privilege to thank my Doctoral Committee Members Prof. P. Sachidanandam, Department of Medical Biochemistry, Dr. ALM Post Graduate Institute of Basic Medical Sciences, University of Madras, Taramani campus, Chennai-600 113 and Prof. R. Rengasamy, CAS Botany, University of Madras, Guindy campus, Chennai-600 025 for giving me valuable suggestions.

I would like to thank all the faculty members of Department of Endocrinology, Dr. ALM Post Graduate Institute of Basic Medical Sciences, University of Madras, Taramani campus, Chennai-600 113 for their valuable help and encouragement.

My thanks are also due to the faculty and staff of our institutional and other libraries for their help in the literature collections.

I would never forget to thank Mrs. Vanithamani Dhananjayan for her encouragement and support throughout the period of the study.

I express my sincere thanks to Dr. C. S. Vijayalakshmi for her valuable help in carrying out the histopathology work. I would also like to extend my thanks to Mr. V. Jayaraman, Assistant Technical Officer, Department of Anatomy, Dr. ALM Post Graduate Institute of Basic Medical Sciences, University of Madras, Taramani campus, Chennai-600 113 for his valuable assistance in histopathological studies.

I owe a lot to my senior colleagues Dr. V. Arul and Dr. S. Kumaraguru for their initial assistance and support.
“Friendship is neither a formality nor a mode; it is rather a life”.

I am indebted to all my friends for their help. I would be unfair from my part to mention that they helped me because they never considered it as help and were always there for me.

I am deeply indebted to my friend Mr. R. Satish who so patiently and cheerfully goaded and pushed me in completing my research work. His invaluable assistance and criticisms certainly changed my life.

My special thanks are due to my friend B. Natarajan for his continuous interest, constant encouragement and above all his fine love for me.

With all the love in my whole heart I would like to thanks my best friends Dr. Binu K. Philip, Dr. R. Karthik and Dr. S. Subramanian for standing by me in the course of life and enhancing my self confidence as catalysts.

Words are inadequate to express my gratitude to my friends Mr. R. Sivakumar, Mr. S. Sitta Djoy, Mr. R. Ilangovan, Mr. S. Yuvaraj, Mr. C. Parthasarathy, Mr. M. Balaganes, Mr. P. Kanagaraj, Mr. M. R. Vijayababu, Mrs. Soudamani Singh, Ms. N. Kalpana, Mr. J. Senthil Kumar, Mr. A. Arun Kumar, Mr. P. Murugesan, and Mr. N.S. Venkatesh, Department of Endocrinology, Dr. ALM Post Graduate Institute of Basic Medical Sciences, University of Madras, Taramani campus, Chennai-600 113 for their diverse help that made my research career pleasant and enjoyable.

I like to express my deep love to my friends Mr. C. Victor Raj Mohan and Mr. Pradeep K. Nair for providing their complete support, valuable time and constant encouragement throughout the period of my work.

I wish to express my immense sense of gratitude to my friend, Dr. Ramanathan, Mr. M. Nagaraj, Mr. A. V Balachander, Mr. S. Sreenivasan, Dr. K. Selvendran, Dr. J. Prince Vijaye Singh, Mr. S. Saravana Perumal,
Mr. S. Mohammed Farroq, Mr. P.T. Sudharshan and Mr. K. Sivarajan, Department of Medical Biochemistry, Dr. ALM Post Graduate Institute of Basic Medical Sciences, University of Madras, Taramani campus, Chennai-600 113, for their extraordinary support and help.

I deeply express my gratitude to my fellow research scholars Ms. C. Thangam, Mr. K. Gobi Anand, Ms. R. D. Gomathi, Mr. L. Sivakumar, Mr. L. Sivaloganathan and Ms. P. K. Deepa for their invaluable help and encouragement.

I also extend my thanks to Ms. R. Chitra, Ms. P. Selvi and Mr. K. Nagaraj and other members of Adyar Student's Xerox for their help.
My sincere respects to all the Gurus who opened my rods and cones to the colourful lights of knowledge, when I started asking questions.

I am extremely indebted to my loving brother Mr. A. Harish Kumar and my sisters Ms. A. Geetha and Ms. A. Yamini for their love, care and affection.

The financial assistance provided by the UGC in the form of research fellow is greatly appreciated.

I worship my grand parents who believed in me enough to get me to believe in myself.

I shall be failing in my duty, if I don't acknowledge my Mother and Father for their love, care, sacrifice, selflessness and unflinching support, without whom I would not be what and where I am.

Above all I praise the "Almighty" for everything.

A. MURALIDHARAN
