ACKNOWLEDGEMENT

With every step forward we achieve the understanding as to the sweetness of endeavor to gain knowledge and to explore and to find the facts through which we will learn to appreciate the beauty of search for knowledge and exploration of mysteries. I acknowledge my thanks and appreciation for the esteemed people who has graciously supported me in diverse ways from beginning to the end in completing this challenge.

I am thankful to the Lord Shiva to have bestowed such consciousness and platinum opportunity to have disclosed this fact to us with the firm intention to continue this endeavor onward and making my dream a reality.

I also wish to thank my supervisor, Dr.Krishan Kumar Kansal, Assistant Professor, Commerce Department, N.A.S. Degree College, Meerut for the time, effort and advice freely given to me throughout the entire project. Through him, I have learned much and will forever be in their debt for his kind support and patience.

I am indebted to my family, for their unwavering morale and valuable support throughout the research work. To begin with it, my father Mr. S. C. Goyal for his continuously support and faith to carry my research works. My Mother Mrs. Sushila Goyal deserve my gratitude for her long lasting support and affection. When I was down my mother was there to pick me back up, when I needed a smile she gave it to me, when I was sad she made me laugh, and when I needed to share, she was there to share it with. My loving sister Ms. Meenu Goyal has been a motivating source and a tremendous encouragement. I acknowledge my husband Mr Prashant Bansal who is my champion and who blessed me with a life of joy in the hours when the lab lights were off. He held strong faith in me and supported me in every possible way. I thank from the core of my heart. My loving sons Mr.Prakhar Bansal always deserve my hearty gratitude for his constant affection showered upon me during my research.

I am grateful to Dr. Aditya Gautam Group Director, Vidya Knowledge Park, Management Department, Meerut for their able guidance, from time to time, required for a quality research work.

I am highly grateful to my friend Mr. Ashutosh Singh, Dr. Sameeksha Jain for his helpful ideas and encouragement during all phases of the research work and helped me in collecting, editing and finalizing the thesis formatting. Also, I am thankful to my teacher Dr. Amit Malhotra and my colleague Dr. Nakshatresh Kaushik and Mrs. Deepika Kansal who always kept on motivating me and provide their guidance to carry forward my research work.
My gratitude also goes to the participants who participate in the survey, without their contribution I would not be able to complete my research work. My heartfelt thanks and adorations to those who provide a silent support.

At last, I feel highly indebtedness to Honorable Vice Chancellor, Uttarakhand Technical University, Dehradun and all RDC Experts for giving me this opportunity to prove my abilities in the research.
