I am grateful to all those who have facilitated this work directly or indirectly. While it would not be possible for me to mention everyone by name, it will be a serious lapse on my part not to mention the support provided by the following individuals:

✓ Professor Dr. (Capt.) C. M. Chitale, Professor and Dean, Department of Management Sciences, University of Pune for having played a vital role in conceptualizing, guiding and completing the research. Indeed, it was a great pleasure and challenge working under such a hard task master. As a perfectionist he ensured quality work by setting high benchmarks which only helped me in bringing out my best.

Sir, I am really thankful to you.

✓ I am grateful for insights, brainstorming, presentation and discussions with Prof. Dr. Sayalee Gankar, Director, MIT School of Management

✓ I am thankful Abid Ali, Vice-President of Tata Consultancy Services Ltd.

✓ I am also thankful to Mrs. Sathe, Ph.D section, University of Pune, her valuable cooperation for procedural aspect.
✓ My sincere gratitude for unconditional support from my father, Anil, mother, Anagha.

✓ My sincere gratitude to Mr. Vasudeo P. Behere for motivating me.

✓ My sincere gratitude to my mother-in-law, Meenaxi for support provided.

✓ My most sincere gratitude is reserved for my wife, Apurva and son Vedang for their incredible support without which it was not possible.

✓ While I thank them all, I should not forget the contribution made by the Industry experts who promptly helped to fill the questionnaire in time.

✓ I thank them as well as the many unnamed contributors.

Mr. Avinash Kulkarni
