The investigator expresses her deep sense of gratitude to Dr.N.Vasugi, Dean, Faculty of Home Science, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her kind words of encouragement to execute this research.

The investigator would like to express her humble note of thanks to Dr. M.Amrithaveni, Professor and Head, Department of Food Science and
Nutrition, Avinashilingam Institute for Home Science and Higher Education for Women Coimbatore, who was extremely encouraging, motivating and supportive throughout the period of the study.

The researcher expresses her gratitude to Dr. K. Manimozhi, Controller of Examinations, for her support and encouragement for the submission of this research work.

She offers her profuse thanks to Dr. G.P. Jeyanthi, Former Controller of Examinations and Director, Research and Consultancy, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for her invaluable and timely support and guidance at each and every step for the submission of this research work.

The investigator feels extremely happy and fortunate to place on record her deep sense of gratitude and considers it a privilege to have worked under the able supervision of Dr. M. Sylvia Subapriya, Associate Professor, Department of Food Science and Nutrition and NSS Programme Coordinator, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore. She expresses sincere and heartfelt gratitude for the keen interest, patient and untiring efforts, skillful instructions, expert guidance and suggestions of her research supervisor which instilled in her the spirit of confidence to complete the task successfully. The joy and enthusiasm she has for the research was contagious and motivated the investigator, even during tough times in the pursuit of Ph.D. The investigator thanks her for the untiring encouragement and for being a role model. She is deeply indebted and appreciates all her contributions in terms of time and ideas to make the Ph.D. experience productive and stimulating. This thesis would not have been compiled and completed without her critical supervision and suggestions.

The Investigator expresses her gratitude and considers it an opportunity to have worked with Dr. T. Inaobi Singh, Associate Professor and Head, Department of Physical Education and Sports Sciences, Manipur University as the co supervisor. She places on record, heartfelt thanks for facilitating data collection in the field and for making the athletes available for survey.
The investigator thanks all the Faculty members of the Department of Food Science and Nutrition for their kind support, good wishes and timely help rendered for the completion of the study.

The investigator also thanks to the coaches and trainers of the respective Thang-Ta training centers for cooperating and providing athletes for the study. And also thanks to all the Thang-Ta athletes who participated wholeheartedly in the study without whom the research work wouldn't be complete.

The investigator is grateful to Mrs. S. Radhadevi, Associate Professor in Statistics, Department of Food Science and Nutrition, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her help and guidance in statistical analysis and suggestions for the research work.

The investigator feels and expresses her heartfelt thanks to all friends and well-wishers who helped in many ways throughout the study period.

No words match to express her deepest love and gratitude to her beloved parents Mr. Th. Ibopishak Singh and Mrs. Th. Manitombi Devi who were not only the source of inspiration, courage and strength, but also the real designers of her career. Without their support, motivation and aspiration this level of academic development could not be reached.

The author thanks to her sisters, brother, friends and beloved co-scholars for their constant encouragement throughout the research work.
