Acknowledgement

The success of this research was realized because of the timely advice, support and encouragement that was received from my guide Dr. Sunil Y. Kute, Civil Engineering Department, K. K. Wagh Institute of Engineering Education and Research, Nashik, who exhibited a great deal of expertise in the guidance of the research through to its completion of the writing of this thesis.

I express my sincere thanks to Dr. K. N. Nandurkar, Principal, K. K. Wagh Institute of Engineering Education and Research, Nashik, for his moral support and encouragement at various stages of the work.

I take this opportunity to place on record my sincere thanks to Dr. P. D. Jadhav, Head of Civil Engineering Department, K. K. Wagh Institute of Engineering Education and Research, Nashik, and all support and assistance provided by a team of technical and supporting staff and other teachers of Civil Engineering Department.

My special gratitude to Dr. G. K. Kharate, Principal, Matoshri College of Engineering and Research Centre, Nashik, Dr. Mrs. V. H. Patil, Head, Computer Engineering Department, who also in one way or another contributed to the success of the research, is appreciated.

The assistance provided by my colleagues, Mr. M. R. Wakchaure, Mr. M. S. Purkar and Mr. N. L. Bhale, was invaluable and is acknowledged.

Dearly acknowledged are my wife Mrs. Uma and loving members of my family for their patience, support and understanding while pursuing my studies.
