DECLARATION

The thesis entitled, “The role of NGOs in the field of environmental conservation and development in Uttarakhand: A case study of a District Almora of Kumaun region” is a presentation of my original research work and is based on proven facts. An original analysis has been presented based on the study of facts. Wherever contributions of others are involved, every effort is made to indicate this clearly, with due reference to the literature, and acknowledgment of collaborative research and discussions. The work was done under the guidance of Professor (Dr.) M. Padalia, Department of Political Science, DSB Campus, Kumaun University, Nainital.
