Acknowledgements

First of all I bow in gratitude to Almighty ALLAH, the most gracious, merciful and beneficial, for it is indeed his blessing alone that the task has been accomplished.

This thesis is dedicated to my parents and I am deeply indebted to my father Mr. Ayaz Ahmad Khan and my loving and caring mother Mrs. Zeenat Jahan Begum, who always encouraged me and have been my source of inspiration and motivation throughout this work. I would like to express my deepest gratitude to my siblings, Miss Khushboo Ayaz, Miss Hina Ayaz and Mr. Monis Islam Khan for their incessant support and encouragement. My family had been tolerant beyond the bounds of reasonable expectation, for which I am eternally grateful.

I wish to place on record my sincere and deepest gratitude and reverences to my esteemed research guide Mr. Mustafa K. Q. Zaidi for his intellectual inputs and encouragement. I am greatly indebted to him for his invaluable suggestions, reflective comments, encouragement and expert supervision at each stage of the research work. Despite his busy schedule he has been extremely kind to lend me his precious time and patiently discussed minute details. In fact, words don’t suffice in describing his efforts which contributed to my research work.

I am short of words to express my indebtedness and gratitude to Professor Shabahat Husain, Head of Department, who provided a challenging and supportive environment. He encouraged me on my journey of discovery, offering guidance, intellectual stimulation and emotional support, for which I will always be grateful. Apart from many other qualities, I will always remember him for his sincerity and dedication for immersing in the academic pursuits of this profession.

I must recognize my gratitude to the esteemed teachers Dr. Naushad Ali P. M., Dr. Sudharma Haridasan, Dr. M. Masoom Raza, Dr. Nishat Fatima, Dr. Mehtab Alam Ansari who contributed in the task by their valuable inputs and suggestions. They always have encouraged and supported me throughout the research work.

I would like to acknowledge the researcher scholars and staff at Department of Library and Information Science, AMU, who have given so generously of their knowledge and shared their experience with me. I thank to Mrs. Saba Nasreen Bano, Mr. S. Riaz Abbas, Mr. Shahzada Gulrez Alam, Mr. Zahid, Mr. Mohd Asif and Mr. Mohd. Amil.

I am beholden to the universities who allowed me open access to conduct my field work. I’m sure there were times when I was ‘more bothering than I was worth!’ but they never made me
feel that way. Most importantly I would like to thank Mr. Vinay Kumar, student of Law at BHU, who made it possible to collect data from the respondents at BHU.

I would like to record my appreciations for librarians of concerned universities and other professional staff.

I accord my profound thanks to my dear friend Mr. Faisal Rather, research scholar at department of West Asian Studies for the encouragement and help rendered by him at the final stage of my research work.

I also express my sincere gratitude to all those who helped and inspired me in the conducting the study.

Last but not least, I thank to my seniors especially Dr. Musheer Ahmad Khan, Dr. Zafar Iqbal and Dr. Shazia Khan as they helped me directly or indirectly in completion of this thesis.
