APPENDIX - V
To

The Head Mistress,

Dear Madam,

I feel pleasure to introduce to you Sm. Mitra Bhattacharyya M.A., Lecturer in Psychology, Girls' College Howrah, who has registered her name for Ph.D. work in Calcutta University under my supervision. The title of her research is "A probe into the personality of Adolescent Bengali Girls of Calcutta city for developing an idea of their life problems at High School leaving age."

I would deem it a great favour if you kindly permit her to collect data from your esteemed institution. She needs 1½ hour, approximately to collect her data from the students of Class X of your institution, and that too, without interrupting activity of other Classes. Sm. Bhattacharyya will speak to you herself regarding her programme for which I am writing this letter to you.

I do hope that, as an academician, you would extend your kind help and co-operation to make her endeavour a success.

With personal regards.

Sincerely yours,

(Sukumar Bose)

Sm. Mitra Bhattacharyya, M.A. Lecturer in Psychology, Girls' College Howrah, has been permitted to collect data from my Institution on at a.m. / p.m.
