Acknowledgement

My debts are great and too many, especially like the debt of God, which I can not even dare to acknowledge, and who bestowed on me the courage to carry out this research work.

It is a golden opportunity and proud privilege to work under the talented and inspiring guidance Dr. Veena Nigam, Head, Deptt. of Home Science, Juhari Devi postgraduate Girls College, Kanpur. Her untiring supervision, persistent encouragement, unending zeal, conspicuous ability and constructive criticism has always been a constant source of my achievement. I am extremely indebted to her for being meticulous throughout our investigation and preparation of this manuscript.

I also bestow my heartful thanks & gratitude to Dr. Reetam Singh, Reader, Arya Kanya Degree College, Bundelkhand University, Bundelkhand, Jhansi and Dr. Meenakshi Singh, Lecturer, Faculty of Home Science Bundelkhand University, Jhansi for their timely guidance and creative suggestions during the tenure of the presents study.

From the core of My heart, uncountable words of cordial veneration and gratitude are dedicated to the Pious feet of my father Mr. M.M. Trivedi, and my mother Smt. Mrs. Sushila Trivedi for their love, affection, good wishes, blessing, constant encouragement and inspiration, showed by them for the achievement of my present educational assets with the blessing of almighty good I am presenting this work.
