List of Tables

Chapter 1:

1.8.1 Status of the Accounting Standards issued by the ICAI

Chapter 2:

2.9.1 History of IFRS 1
2.9.2 History of IFRS 2
2.9.3 History of IFRS 3
2.9.4 History of IFRS 4
2.9.5 History of IFRS 5
2.9.6 History of IFRS 6
2.9.7 History of IFRS 7
2.9.8 History of IFRS 8
2.9.9 History of IFRS 9
2.9.10 History of IFRS 10

Chapter 5:

5.2.1 Ages statistics
5.2.2 Monthly income statistics
5.2.3 Number of years of practice statistics
5.2.4 Number of training sessions attended
5.3.1 Inclination index class for adoption of IFRS and age
5.3.2 ANOVA: Inclination for IFRS and age
5.3.3 Inclination index class for adoption of IFRS and Monthly income
5.3.4 ANOVA: Inclination for IFRS and Monthly income
5.3.5 Inclination index class for adoption of IFRS and Number of years of practice
5.3.6 ANOVA: Inclination for IFRS and Number of years of practice
5.3.7 Inclination index class for adoption of IFRS and Number of training sessions attended
5.3.8 ANOVA: Inclination for IFRS and Number of training sessions attended
5.4.1 Inclination index class for adoption of IFRS 1 and age
5.4.2 ANOVA: Inclination for IFRS 1 and age
5.4.3 Inclination index class for adoption of IFRS 1 and Monthly income
5.4.4 ANOVA: Inclination for IFRS 1 and Monthly income
5.4.5 Inclination index class for adoption of IFRS 1 and Number of years of practice
5.4.6 ANOVA: Inclination for IFRS 1 and Number of years of practice
5.4.7 Inclination index class for adoption of IFRS 1 and Number of training sessions attended
5.4.8 ANOVA: Inclination for IFRS 1 and Number of training sessions attended
5.4.9 Inclination index class for adoption of IFRS 2 and age
5.4.10 ANOVA: Inclination for IFRS 2 and age
5.4.11 Inclination index class for adoption of IFRS 2 and Monthly income
5.4.12 ANOVA: Inclination for IFRS 2 and Monthly income
5.4.13 Inclination index class for adoption of IFRS 2 and Number of years of practice
5.4.14 ANOVA: Inclination for IFRS 2 and Number of years of practice
5.4.15 Inclination index class for adoption of IFRS 2 and Number of training sessions attended
5.4.16 ANOVA: Inclination for IFRS 2 and Number of training sessions attended
5.4.17 Inclination index class for adoption of IFRS 3 and age
5.4.18 ANOVA: Inclination for IFRS 3 and age
5.4.19 Inclination index class for adoption of IFRS 3 and Monthly income
5.4.20 ANOVA: Inclination for IFRS 3 and Monthly income
5.4.21 Inclination index class for adoption of IFRS 3 and Number of years of practice
5.4.22 ANOVA: Inclination for IFRS 3 and Number of years of practice
5.4.23 Inclination index class for adoption of IFRS 3 and Number of training sessions attended
5.4.24 ANOVA: Inclination for IFRS 3 and Number of training sessions attended
5.4.25 Inclination index class for adoption of IFRS 4 and age
5.4.26 ANOVA: Inclination for IFRS 4 and age
5.4.27 Inclination index class for adoption of IFRS 4 and Monthly income
5.4.28 ANOVA: Inclination for IFRS 4 and Monthly income
5.4.29 Inclination index class for adoption of IFRS 4 and Number of years of practice
5.4.30 ANOVA: Inclination for IFRS 4 and Number of years of practice
5.4.31 Inclination index class for adoption of IFRS 4 and Number of training sessions attended
5.4.32 ANOVA: Inclination for IFRS 4 and Number of training sessions attended
5.4.33 Inclination index class for adoption of IFRS 5 and age
5.4.34 ANOVA: Inclination for IFRS 5 and age
5.4.35 Inclination index class for adoption of IFRS 5 and Monthly income
5.4.36 ANOVA: Inclination for IFRS 5 and Monthly income
5.4.37 Inclination index class for adoption of IFRS 5 and Number of years of practice
5.4.38 ANOVA: Inclination for IFRS 5 and Number of years of practice
5.4.39 Inclination index class for adoption of IFRS 5 and Number of training sessions attended
5.4.40 ANOVA: Inclination for IFRS 5 and Number of training sessions attended
5.4.41 Inclination index class for adoption of IFRS 6 and age
5.4.42 ANOVA: Inclination for IFRS 6 and age
5.4.43 Inclination index class for adoption of IFRS 6 and Monthly income
5.4.44 ANOVA: Inclination for IFRS 6 and Monthly income
5.4.45 Inclination index class for adoption of IFRS 6 and Number of years of practice
5.4.46 ANOVA: Inclination for IFRS 6 and Number of years of practice
5.4.47 Inclination index class for adoption of IFRS 6 and Number of training sessions attended
5.4.48 ANOVA: Inclination for IFRS 6 and Number of training sessions attended
5.4.49 Inclination index class for adoption of IFRS 7 and age
5.4.50 ANOVA: Inclination for IFRS 7 and age
5.4.51 Inclination index class for adoption of IFRS 7 and Monthly income
5.4.52 ANOVA: Inclination for IFRS 7 and Monthly income
5.4.53 Inclination index class for adoption of IFRS 7 and Number of years of practice
5.4.54 ANOVA: Inclination for IFRS 7 and Number of years of practice
5.4.55 Inclination index class for adoption of IFRS 7 and Number of training sessions attended
5.4.56 ANOVA: Inclination for IFRS 7 and Number of training sessions attended
5.4.57 Inclination index class for adoption of IFRS 8 and age
5.4.58 ANOVA: Inclination for IFRS 8 and age
5.4.59 Inclination index class for adoption of IFRS 8 and Monthly income
5.4.60 ANOVA: Inclination for IFRS 8 and Monthly income
5.4.61 Inclination index class for adoption of IFRS 8 and Number of years of practice
5.4.62 ANOVA: Inclination for IFRS 8 and Number of years of practice
5.4.63 Inclination index class for adoption of IFRS 8 and Number of training sessions attended
5.4.64 ANOVA: Inclination for IFRS 8 and Number of training sessions attended
5.4.65 Inclination index class for adoption of IFRS 9 and age
5.4.66 ANOVA: Inclination for IFRS 9 and age
5.4.67 Inclination index class for adoption of IFRS 9 and Monthly income
5.4.68 ANOVA: Inclination for IFRS 9 and Monthly income
5.4.69 Inclination index class for adoption of IFRS 9 and Number of years of practice
5.4.70 ANOVA: Inclination for IFRS 9 and Number of years of practice
5.4.71 Inclination index class for adoption of IFRS 9 and Number of training sessions attended
5.4.72 ANOVA: Inclination for IFRS 9 and Number of training sessions attended
5.4.73 Inclination index class for adoption of IFRS 10 and age
5.4.74 ANOVA: Inclination for IFRS 10 and age
5.4.75 Inclination index class for adoption of IFRS 10 and Monthly income
5.4.76 ANOVA: Inclination for IFRS 10 and Monthly income
5.4.77 Inclination index class for adoption of IFRS 10 and Number of years of practice
5.4.78 ANOVA: Inclination for IFRS 10 and Number of years of practice
5.4.79 Inclination index class for adoption of IFRS 10 and Number of training sessions attended
5.4.80 ANOVA: Inclination for IFRS 10 and Number of training sessions attended

Chapter 6:
6.1.1 Result of Hypothesis testing for inclination for IFRS and Variables
6.1.2 Result of Hypothesis testing for inclination for IFRS 1 and Variables
6.1.3 Result of Hypothesis testing for inclination for IFRS 2 and Variables
6.1.4 Result of Hypothesis testing for inclination for IFRS 3 and Variables
6.1.5 Result of Hypothesis testing for inclination for IFRS 4 and Variables
6.1.6 Result of Hypothesis testing for inclination for IFRS 5 and Variables
6.1.7 Result of Hypothesis testing for inclination for IFRS 6 and Variables
6.1.8 Result of Hypothesis testing for inclination for IFRS 7 and Variables
6.1.9 Result of Hypothesis testing for inclination for IFRS 8 and Variables
6.1.10 Result of Hypothesis testing for inclination for IFRS 9 and Variables
6.1.11 Result of Hypothesis testing for inclination for IFRS 10 and Variables
6.2.1 Findings on Inclination and Age
6.2.2 Findings on Inclination and Monthly income
6.2.3 Findings on Inclination and Number of years of practice
6.2.4 Findings on Inclination and Number of training sessions attended
