ACKNOWLEDGEMENTS

First of all, I praise the almighty God for his abundant blessings showered upon me without which this research work would never have been possible.

I deem it my proud privilege to have undertaken this research work under the inspiring guidance and expert supervisions of my supervisor, Prof. (Dr.) Subhas Chandra Sarkar, Professor, Department of Commerce, University of Kalyani. Words perhaps would fail to express the gratitude I owe to him. He has supported me throughout my thesis with his patience and utmost knowledge. It would have been impossible for me to complete the research work without his constant and inspiring guidance and valuable suggestions at every stage of this research work.

I owe to the all faculty members and members of the staff, Department of Commerce, University of Kalyani, for their constant support, inspiration and suggestions. I express my special thanks to Prof. (Dr.) Amalundu Bhunia, Professor, Department of Commerce of this University, for his timely support and assistance during the research work.

I am grateful to my teacher Prof. A. K. Ghosal, Ex-Professor, Department of Commerce, City College, Kolkata, for his unconditional support at each and every stage of my research work.
