Acknowledgement

The completion of a thesis bring a welcome respite from many years of hard work. It also brings forth the opportunity to acknowledge the help of all those, whose knowledge and dexterity made this humble Endeavour possible. I find myself a loss as I pen down words of sincere gratitude towards those persons without whose help and guidance this study of mine would not have been possible.

I offer my heartfelt prayers to the Almighty by whose grace I could complete this piece of work successfully.

At the very outset I take the privilege of expressing my heartfelt gratitude and indebtedness to my guide and respected outstanding teacher Prof.(Dr) Indranil Chakraborty, M D, Professor&HOD, Department of Biochemistry, Medical College &Hospital, kolkata. For his valuable suggestions, timely advice, overall supervision and guidance all throughout this period.

I take the opportunity to express my sincere gratitude to Dr. Bikash Chandra swaika, M D, Associate Professor, Department of Medicine, Burdwan Medical College, Burdwan for his constant guidance, valuable suggestions, constructive criticism and continuous supervision to complete the present piece of work.
I am greatly indebted to Prof.(Dr.) Tapan kumar Mukhopadhyay, M D, Professor &HOD, Department of Biochemistry, Burdwan Medical College, Burdwan, W.B, for his constant concern and guidance.

I am grateful to the Medical Superintendent cum Vice principal of Burdwan Medical College and Hospital, Burdwan, who had kindly allowed me to carry out this study in this institution.

I would like to pay my gratitude and deepest regards to my beloved Dr. Aninda Dasgupta, associate professor, department of Biochemistry for constant guidance and encouragement.

I would like to take this opportunity to convey my heartfelt thanks to Dr. Asoke Mondal, Associate professor, Dr. Sabyasachi Mallick, Assistant Professor, Dr. Partha Das, Demonstrator, Department of Biochemistry, Burdwan Medical College, Burdwan.

I also thank Dr. Sanjeeb Ghosh, Associate professor, Dr. Ashoke Kumar Datta, Assistant Professor, Prof.(Dr.) Ardhendu Singha Roy, Professor (Dr.) Khondakar, Department of Medicine, Burdwan Medical College, Burdwan for their support and continuous encouragement.

I hereby take the opportunity to thank Mr. Manoj Kr. Sadhu, Labco. for his Pharmaceuticals for support regarding reagents of different tests.

I am also very thankful to wife, son, sisters and my elder brothers for their help and encouragement during this work.
No word can express my sense of gratitude and indebtedness to my all well wishers for their of support, blessing and encouragement.

This work will be incomplete if I fail to thank my patients who so optimistically submitted to my investigative mutilations, even with untold suffering, they did co-operate fully.

The final word of thanks goes to my friends, who has been with me from the inception of this work, helping me with their useful unconventional ideas and making my work seem easy.

Date, Burdwan
