

ACKNOWLEDGEMENT

At the outset I express my sincere gratitude and heartfelt regards to my respected supervisors Dr. Partha Dev Ghosh, Professor, Kalyani University, Nadia, West Bengal and Dr. Asit B. Mandal, Senior Scientist, Head, Division of Field Crops, Central Agricultural Research Institute (I.C.A.R.), Port Blair, Andamans for valuable guidance, keen interest and constant encouragement throughout the entire period of investigation and also during preparation of the thesis.

I am also extremely grateful to Dr. A. K. Bandyopadhyay, former Director and Dr S.P.S.Ahlawat, Director, Central Agricultural Research Institute (I.C.A.R.), Port Blair, Andamans, for giving me the opportunity to carry out the study in the institute utilizing the facilities during the course of the investigation.

I would like to acknowledge the invaluable help rendered by Sri Bikash Chowdhury, Ms Anusrita Biswas, Sri. Bidhan Roy and Ms Joyeeta Biswas for their immense help in executing different experiments of the study and preparation of the thesis as well.

I also take this opportunity to acknowledge the assistance rendered by Shri. P.Simhachalam, Mrs. Sheela Pal, Mrs Sunitha, Mrs. Anita Bairagi, Ms Renuka Karar, Shri Parimal Kumar Bala, Shri. Sanichar Baraik, Shri Ganesh Ram, Shri Kishore Kumar and Shri S. Prakash.

Last but not the least, I would like to express my gratitude to my parents whose endless blessings and inspirations enabled me to execute the study.
