ACKNOWLEDGEMENT

Doing research is not easy, it involves great amount of effort from all Sides. The credit for successful completion of this task goes to my Guide, Dr. A.K. Das (Director, AMS, Dehradun) whose sincere efforts and guidance helped me in the completion of the thesis. I would also like to thank Dr. K.S. Negi, former Dean, Department of Commerce, H.N.B. Garhwal University, Srinagar, Garhwal, whose valuable suggestions have helped me in the completion of the thesis.

I would like to thank the executives of NFL & IFFCO who gave me the first hand information regarding the performance of the company. I owe a great sense of indebtedness to them for the valuable inputs they provided without which this work was not possible.

I am very grateful to my Parents, wife, son & sisters, particularly, Preeti, who had given her immense help in the compilation of my work. My family supported me and encouraged me to complete the work.
