Acknowledgements

I would like to give my greatest sense of gratitude to my academic mentor, supervisor and guide **Dr. Manoj Sain**, Principal, Tilak P.G.College, Bassi, Jaipur for his immense help. Even the ‘shloka’ above, may not express my gratitude for his continued help and guidance to the fullest in my academic endeavor. The confidence and dynamism with which he guided me, needs no elaboration. He is very good in converting ideas into something concrete, and going through that helped enough to motivate me to do my research work. 

Words are not sufficient to convey the deep gratitude and debt to my mentor, guru, **Dr. Manoj Sain**, Principle, Tilak P.G.College, Bassi, Jaipur who motivated me to select the present research topic and inspired me through all phases of my research. His cooperation was incredible, his attitude made impossible things very easy and his academic depth always remained beneficial for me. He is a very busy man having a very busy schedule though he helped me to think in right direction. Besides being an excellent supervisor and guide, during these years I have known **Dr. Manoj Sain** to be honest, disciplined but sympathetic human being.

I am heartily thankful to **Dr. Mithilesh Kumar**, Associate Professor, School of Life Sciences, Jaipur National University, and Jaipur for his continued guidance in completing this research work. His experience and valued suggestions were always available, whenever I approached. His optimistic and inspiring words time to time providing ‘high quality research work’ which has made a deep impression on me and my work.

Mere words will never be enough to express thanks towards my parents **Mr. Raj Kumar Sharma** and **Mrs. Shashi Sharma** and Wife **Mrs. Rinku Sharma** and my entire family for bringing me where I am today through their continuous moral support. I feel deep sense of gratitude to all the faculty members and other supporting staff, Shri Jagdishprasad Jhabarmal Tibrewala University, Jhunjhunu, Rajasthan, for their cooperation, moral support and inspiring words at every stage of our work.

My sincere thanks are also due to the authorities of the central library, Shri Jagdishprasad Jhabarmal Tibrewala University, Jhunjhunu, Rajasthan, for extending their full cooperation by making available the material required for laying the foundation of the study.
Without individually mentioning the names I convey my sincere thanks to all the respondents of the study who spared their valuable time and provided all the necessary information for the research they are indeed one of the key factors in successful completion of my research Work.

I am very grateful and my humble duty to acknowledge to those authors whose work I have quoted in the body of the manuscripts.

Last but not the least I express my indebtedness to all those who have not been explicitly mentioned but made substantial contribution to the study.
