ACKNOWLEDGEMENTS

I am highly indebted to my supervisor, Dr. Shahid Bin Zeya, Associate Professor, Department of Zoology, Aligarh Muslim University (A.M.U.), Aligarh, under whose guidance this entire work was carried out.

I am thankful to Professor Waseem Ahmad, Chairman, Department of Zoology, A.M.U., Professor Irfan Ahmed, former Dean and Chairman Department of Zoology, faculty of Life Sciences for providing all the necessary research facilities, valuable suggestions and constant support.

I feel privileged in expressing my profound gratitude to Dr. Mohammad Hayat, Professor, (retired), Department of Zoology, A.M.U., for his invaluable suggestions and providing access to the encyrtid collections, including types, housed in the ‘Insect Collections’ in the Department of Zoology, A.M.U. (ZDAMU).

I am especially thankful to the following teachers for their support and encouragement in my research work; Prof. Kamil Usmani, Dr. Mrs. Ayesha Qamar, Dr. Mrs. Shoeba Binte Anis, Dr. Khowaja Jamal and Dr. Mohd. Amir, Dr. Syed Irfan Ahmed (Section of Entomology), Dr. G. G. H. A. Shadab, (Section of Genetics).

I also thank Dr. S.M.A. Badruddin (Research Associate in the Network Project on Insect Biosystematics, Department of Zoology Center of the A.M.U.) and Dr. F.R. Khan (formerly Research Associate in the NPIB, presently Assistant Professor, Al Qassim University, Kingdom of Saudi Arabia), for their helps and cooperation in various ways.

Thanks are due to Prof. Jim Woolley, Department of Entomology, Texas A & M University for his valuable suggestions and insights in the phylogeny part of the thesis and to Dr. Gary A.P. Gibson, Honorary Research Associate, Canadian National Collection of Insects (CNC), Agriculture and Agri-Food Canada, Ottawa, Ontario for providing various literature related to phylogeny.
I am immensely thankful to Mr. Prince Tarique Anwar for his constant support, healthy discussion and cooperation, in every possible means. I also extend my sincere thanks to my labmates Mr. F.S.K. Amer, Mrs. Farha Fatima and Mr. Majid Jamali for their helping attitude during my research work.

No words could adequately express all that my parents Mr. Syed Usman Shah & Mrs. Zahida Bi have done for me. Their prayers, affection, love and support made me to complete this work. My heartiest gratitude to my brothers Dr. Syed Mohd Razi, Syed Mohd Rafi, Syed Nawaz Shah, my sister Syeda Iqra Usman and my sister in laws, Dr. Mrs. Misba Shams and Mrs. Yusra Khanam for their encouragement and moral support.

Last but not the least, I render my heartfelt thanks to Md Tanweer Alam and my friends Ms. Farhana Khan, Mrs. Samreen Fatima, Mrs. Dania Ahmad, Ms. Malka Mustaqim, Ms. Taiba Saeed, Ms. Sharba Kausar, Dr. Mrs. Rushda Sharf, Ms. Arjumend Shaheen and Ms. Sayma Samreen, for their good and cordial company, careful suggestions and manifold help whenever needed.

I gratefully acknowledge University Sophisticated Instrument Facility (USIF), A.M.U., Aligarh for allowing me to use SEM facilities and to the University Grants Commission, New Delhi, for the award of ‘Maulana Azad National Fellowship’.
