My heartfelt thanks to **Dr. A. Parvathi**, Dean, Faculty of Science, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for the kind encouragement rendered during the study.

I record my sincere thanks to **Dr. S. Annapoorani**, Professor and Head, Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her moral support during the course of my study.

I express my profound sense of thanks and gratitude to my guide **Dr. R. Nirmaladevi**, Assistant Professor, Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her keen interest, cherished propositions, judicious leadership, persistent assistance, meticulous efforts and enduring support rendered at each stage of my thesis. Without her I would have not learnt how to work boundlessly and would not have grown into what I am today. I thank my guide for being such a great inspiration. I express my sincere thanks for her support and encouragement in all ups and downs through our remarkable journey.

With gratitude, I would like to thank **Dr. P.R. Padma**, Professor, Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, without whose invaluable guidance, proposals and efforts my thesis would not have been possible.
I would like to convey my heartfelt gratitude to Dr. Subasini K. Sripathi, Professor, Department of Chemistry, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for providing the delightful opportunity to work as exchange student in Ohio State University, Columbus, USA, through Pelotonia International Fellowship Program.

I express my sincere thanks to mentors, Dr. Deepa Sampath, Dr. Natarajan Muthusamy and my colleagues Tzung-Huei Lai, Arianna Bottoni and Lara Rizzotto, Department of Internal Medicine, Division of Hematology, Ohio State University, Columbus, USA, for their guidance, support and care given during my period of stay at Ohio State University.

I would also like to thank Dr. S. Sumathi and Dr. D. Kavitha and all the faculty members, Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, of our department for their help and support.

I am immensely grateful to my friend, Mrs. Ramya, who always took great care of me and supported me in all ups and downs. I wholeheartedly thank her for travelling with me throughout my thesis.

I am greatly indebted to all my fellow researchers, Kalapana, Shrinidhi, Ramya, Nithyadevi, Susheela, Sonia, Azhagumeena, Banupriya, Purnima Jagathambal, Sudhadevi, Radha Palanisamy, Sharmila, Yamuna, Dharani, Sivaprabha, Mohana, Preethi and Kavithaa, for the loving friendship and support given throughout my period of study. I thank all my friends for rendering their helping hands all through my research period. A special note of thanks to our lab attenders, Mrs. Kiruba for her help during the study.

On a more personal heartfelt thanks, I owe special debt and gratitude to my mom Thilakavathi, dad Thirumoorthy, brother Mohankumar, sister-in-law Ruba and to my cute little niece, Akshara for their sacrifice, unirting support, patience and endless love at various stages of my study. A special note of thanks to my beloved husband Siddhartha, father-in-law Selvaraj, mother-in-law Jothimani and brother-in-law Pradheep, for their love, blessings and encouragement.

I acknowledge the contribution of all the other unseen hands during the course of the study for the help rendered in the successful completion of the study.

Gratitude to Pelotonia Fellowship International Internship Program

I express my sincere gratitude and acknowledgement to Pelotonia Fellowship International Internship Program, Ohio State University, USA for providing me the wonderful opportunity to work as visiting scholar at The Ohio State University from September 1, 2015 through December 31, 2015. This program provided me the occasion to observe numerous aspects of research work related to leukemia, helped me to gain the knowledge and provided me the infrastructure to pursue a part of my thesis work during the visit. Thank you for the insightful experience I had as a visiting scholar as part of the Pelotonia Fellowship International Internship Program
