ACKNOWLEDGEMENT

May, I primarily thank Almighty God for seeing me through the study and making it a reality.

This is a long list - but it also reflects the extensive support I have had throughout this research work.

My parents, the two most important persons in my life, they not only gave me life and a much cherished childhood, but also taught me to love and instilled great values that I live by today. Their unfailing financial support and encouragement in the most desperate circumstances and constant emphasis on good education were drives that got me this far. Thank you, Mom and Dad for everything.

Firstly, I am hugely grateful to my beloved supervisor, Dr. Murigendra B. Hiremath and family, for his dedication, invaluable time, patience, follow through, understanding, intellect, energy, encouragement, determination, skills in resolving challenges, his invaluable research wisdom which he willingly shared, plus more, all of which have been very instrumental and critical in bringing to a close, a very long and often times a difficult journey. I ought to acknowledge that without his advice and guidance, it would have been difficult for me to learn the research skills and conduct this task. He was always there when I needed him and was a solution to my problems and difficulties even beyond this research work. I wish to express my sincere gratitude to him for his unwavering support provided me during my doctoral research.

I avail this opportunity to express my profound indebtedness and esteemed sense of heartfelt gratitude to beloved Chairman Prof. A B. Vedamurthy, for his great cooperation and help in administrative matters rendered during my study period.

I am grateful to Prof. B. B. Kaliwal, Prof. V. Shyamkumar, Dr. C. T. Shivsharana, Dr. Sudish Jogaiah, for their constant encouragement and suggestions given during my research work. I express my sincere thanks to Dr. Chethan J. D. for his valuable guidance and core inputs in molecular biology experiment.

I am indebted to Mrs. Sridevi I. Puranik, and express my deepest gratitude owing millions of thanks to her for making me privileged to have your immense source of relentless moral support and sincere prayers. She has always been a supporting hand
during my hard times giving unconditional care and encouragement in my Doctoral study.

I express my sincere thanks to Prof. R. D. Kanamadi, Prof. V. L. Kallapur, Prof. S. A. Nevagi, Dr. Amritha Kulkarni and Dr. Shakeel Adoni, for their valuable advices and support.

I have great pleasure in expressing my deep sense of respect and sincere thanks to Prof. Ravindra Kamble & Dr. Padmashree Kamble for their extensive support, encouragement and valuable insights rendered during the research.

Closer to my heart, I am particularly grateful to my family, too many to mention, but who have been with me over the years for their support and wishes, my beloved brother Mr. Sushant, uncle Mr. Namadev, aunty Mrs. Suman, Nikhil, Neeraj, Mrs. Sumitra Puranik, Mr. Vinayak, Mr. Uday, Mrs. Savita, Aditya, Apoorva, Goutami & all relatives who always want to see me flourish.
